

Positive Happenings

Aquatics Program

FLAS COMMUNITY EDUCATION FEBRUARY 2017

SPECIAL POINTS OF INTEREST:

- Community Education welcomes new synchronized swimming club.
- New aquatics camps being offered this summer.
- Pool Custodian, Denny Peterson, retires after 38 years in the district.

Community Education Welcomes Northern Formation Synchro

Community Education is very excited to partner with a group of local, driven parents to create a new synchronized swimming opportunity in Forest Lake called Northern Formation Synchro. The new club would like to sincerely thank

Aquatics Supervisor, Jen Olson and Director of Community Education, Corey McKinnon, for their effort and support. A big thank you is also extended to the Northern Formation Parent Board; Kim Olson, Krista Hoekstra, Mellisa Lund, Carol Mueller Leavitt, Linnea Janisch, Bill Janisch, Patrick Olson and Lanette Wedell.

NORTHERN FORMATION SYNCHRO

The exceptional coaches who are a part of this new Aquatics chapter are Christine Bergene, Resa Brockman and Lindsey Crohn. The team is looking forward to competing in their first meet in February.

New Aquatics Camps Coming This Summer

Synchro Camp

This new synchro camp will give participants an opportunity to try out synchronized swimming! It is a combination of swimming, gymnastics and dance. This camp is perfect for those that want to try it out before committing to the summer synchronized clinic or the Northern Formation club.

June 12-15 / 10am - 12pm
Grades 4-12 / \$40

Diving Camp

Although a Diving Camp was offered last summer, the program was executed last minute and direct marketed. This year, the program will market to a wide range of potential participants to drive success. A class description will be in the Spring/Summer Community Education catalog.

June 20 - July 27 / Tue & Thu
4pm - 6pm / Ages 11-18 / \$120

Thank You, Denny Peterson!

The Aquatics Program would like to sincerely thank Denny Peterson, who just retired after working in the district for 38 years. His smile and sense of humor will be greatly missed. The staff will remember him as the behind the scenes “super hero of the pool”. His dedication and hard work always kept the Southwest Junior High Pool in the best of shape. He sacrificed a lot of time and holidays to ensure that the pool was kept up to his exceptionally high standards. Thank you, Denny!
