A superintendent shall provide the notice not later than the 30th instructional day after the date of the assignment of the inappropriately certified or uncertified teacher. Validity of  
Emergency Permit

The validity date of an activated and authorized emergency permit is specified in 19 Administrative Code 230.97 (Effective Dates of Certificates and Permit Issuance).

An emergency permit is valid for the remainder of the school year for which it is activated and authorized by SBEC. The emergency permit must be submitted to TEA within 45 instructional days from the date of assignment. A permit authorized by SBEC is valid for service only in the requesting district and only for the assignments indicated on the emergency permit application.

Effective with the 2017–18 school year, the employment of an individual on an emergency permit, with the exception of the assignment as a JROTC instructor or a teacher of students with visual impairments may not exceed one school year in the same assignment. [See One-Year Limitation, below]

Prior to the 2017–18 school year, the individual may serve in a specific assignment no more than one additional school year beyond the initial emergency permit. To continue beyond the initial emergency permit year, the individual must comply with the renewal provisions specified in 19 Administrative Code 230.81. [See Renewal Requirements and Procedures, below]

Effective with the 2017–18 school year, to continue employment in the assignment beyond the validity of the initial emergency permit, the individual must hold the appropriate certificate, in accordance with 19 Administrative Code, Chapter 231 (Requirements for Public School Personnel Assignments). As indicated in 19 Administrative Code 230.77(g)(4)(B), emergency permits for JROTC instructors must be reissued every year.

Renewal  
Requirements and  
Procedures

Effective with the 2017–18 school year, these renewal provisions no longer apply for emergency permits, with the exception of teachers of students with visual impairments. *19 TAC 230.73(f)*

A superintendent, designee, or authorized representative may renew an emergency permit for the same assignment in the same district for which the initial emergency permit was activated.

No individual may continue in the same assignment for more than one school year of service on an emergency permit, except that emergency permits used fewer than 90 calendar days may be renewed for one additional year of service, if needed.

The total of semester credit hours or the equivalent contact hours required to obtain certification appropriate for the assignment shall determine the number of emergency permit renewals for which the individual may be eligible.

For six semester credit hours or less plus appropriate examination requirements, an individual is not eligible for renewal.

For seven semester credit hours or more plus appropriate examination requirements, an individual is eligible for one renewal.

The superintendent or his or her designee or authorized representative may renew an emergency permit provided the following requirements and procedures are met:

4. The appropriate renewal of the emergency permit application must be completed online prior to the beginning date of duties for the current school year.
5. The school district shall pay the appropriate fee.

**Incentive Grants—  
Contract Provision**

A district shall provide in employment contracts that qualifying employees may receive an incentive payment under an awards program established under Education Code Chapter 21, Subchapter O (Educator Excellence Award Program and Educator Excellence Innovation Program) if the district participates in the program. A district shall indicate that any incentive payment distributed is considered a payment for performance and not an entitlement as part of an employee's salary. *Education Code 21.415*

**Educator Excellence  
Innovation Program**

The Educator Excellence Innovation Program (EEIP) is a grant program under which a district may receive a competitive grant for the purposes of systematically transforming educator quality and effectiveness. The Texas Education Agency (TEA) will give priority to districts that receive Title I funding and have at a majority of district campuses a student enrollment that is at least 50 percent educationally disadvantaged.

Eligibility

A district is eligible to apply for EEIP grant funds if the district:

1. Completes and submits a Notice of Intent to Apply to TEA by the date established by the commissioner of education;
2. Complies with all assurances in the Notice of Intent to Apply and grant application;
3. Participates in the required technical assistance activities established by the commissioner, including establishing leadership teams, master teachers, mentor teachers, and instructional coaches and developing career pathways;
4. Agrees to participate for four years; and
5. Complies with any other activities set forth in the program requirements.

An eligible district must submit an application in a form prescribed by the commissioner. Each eligible applicant must meet all deadlines, requirements, and assurances specified in the application. The commissioner may waive any eligibility requirements as specified in 19 Administrative Code 102.1073.

Local Plan

An eligible district that intends to participate in the EEIP shall submit a local educator excellence innovation plan to TEA. A local educator excellence innovation plan must address the elements at 19 Administrative Code 102.1073(e)(2).

A district must act pursuant to its local board policy [see DEAA (LOCAL)] for submitting a local educator excellence innovation plan and grant application to TEA. A local decision to approve and

submit a plan and grant application may not be appealed to the commissioner.

A district may renew its local educator excellence innovation plan for three consecutive school years without resubmitting a full grant application to TEA. With TEA approval, a district may amend its local plan in accordance with 19 Administrative Code 102.1073(c) and (h) for each school year the district receives a program grant.

Use of Grant Funds

A district may use grant funds only to carry out purposes of the program as described at Education Code 21.7011, in accordance with the district's local plan, which may include the following specific methods or procedures:

1. Implementation and administration of a high-quality mentoring program for teachers in the first three years of classroom teaching using mentors who meet the qualifications prescribed by Education Code 21.458 [see Mentor Teachers, below];
2. Implementation of a teacher evaluation system using multiple measures that include:
  - a. The results of classroom observation, which may include student comments;
  - b. The degree of student educational growth and learning; and
  - c. The results of teacher self-evaluation;
3. To the extent permitted under Education Code Chapter 25, Subchapter C, restructuring of the school day or school year to provide for embedded and collaborative learning communities for the purpose of professional development [see EC];
4. Establishment of an alternative teacher compensation or retention system; and
5. Implementation of incentives designed to reduce teacher turnover.

Waiver Request

A district may apply to the commissioner in writing for a waiver to exempt the district or one or more district campuses from one or more of the statutory sections listed at Education Code 21.7061(a).

The application for the waiver must demonstrate:

1. Why waiving the identified section of the Education Code is necessary to carry out the purposes of the program;

2. Approval for the waiver by a vote of a majority of the members of the board;
3. Approval for the waiver by a vote of a majority of the educators employed at each campus for which the waiver is sought; and
4. Evidence that the voting occurred during the school year and in a manner that ensured that all educators entitled to vote had a reasonable opportunity to participate in the voting.

Neither the board nor the superintendent may compel a waiver of rights under Education Code 21.7061.

Not later than April 1 of the year in which the waiver application is submitted, the commissioner shall notify the district in writing whether the application has been granted or denied. A waiver expires when the waiver is no longer necessary to carry out the purposes of the program, in accordance with the district's local educator excellence innovation plan.

The commissioner's rules establish performance and validity standards for each local optional teacher designation system that:

1. Must provide a mathematical possibility that all teachers eligible for a designation may earn the designation; and
2. May not require a district to use an assessment instrument adopted under Education Code 39.023 to evaluate teacher performance.

DIA  
(LEGAL)

A public servant acts under color of the public servant's office or employment if the person acts or purports to act in an official capacity or takes advantage of such actual or purported capacity.

"Sexual harassment" means unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature, submission to which is made a term or condition of a person's exercise or enjoyment of any right, privilege, power, or immunity, either explicitly or implicitly.

*Penal Code 39.03(a)(3), (b), (c)*

*Unpaid Interns*

A district commits an unlawful employment practice if sexual harassment of an unpaid intern occurs and the district or its agents or supervisors know or should have known that the conduct constituting sexual harassment was occurring, and fail to take immediate and appropriate corrective action. *Labor Code 21.1065*

National Origin  
Harassment

Ethnic slurs and other verbal or physical conduct relating to an individual's national origin constitute harassment when this conduct:

1. Has the purpose or effect of creating an intimidating, hostile or offensive working environment;
2. Has the purpose or effect of unreasonably interfering with an individual's work performance; or
3. Otherwise adversely affects an individual's employment opportunities.

*29 C.F.R. 1606.08(b)*

Severe and  
Pervasive

Harassment violates Title VII if it is sufficiently severe and pervasive to alter the conditions of employment. *Pennsylvania State Police v. Suders, 542 U.S. 129 (2004)*

Title VII does not prohibit all verbal and physical harassment in the workplace. For example, harassment between men and women is not automatically unlawful sexual harassment merely because the words used have sexual content or connotations. *Oncale v. Sun-downer Offshore Services, Inc., 523 U.S. 75 (1998)*

Prevention

A district should take all steps necessary to prevent unlawful harassment from occurring, such as affirmatively raising the subject, expressing strong disapproval, developing appropriate penalties, informing employees of their right to raise and how to raise the issue of harassment under Title VII, and developing methods to sensitize all concerned. *29 C.F.R. 1604.11(f)*

A district is responsible for acts of unlawful harassment by fellow employees and by nonemployees if the district, its agents, or its supervisory employees knew or should have known of the conduct, unless the district takes immediate and appropriate corrective action. *29 C.F.R. 1604.11(d), (e), 1606.8(d), (e)*

When no tangible employment action is taken, a district may raise the following affirmative defense:

1. That the district exercised reasonable care to prevent and promptly correct any harassing behavior; and
2. That the employee unreasonably failed to take advantage of any preventive or corrective opportunities provided by the employer or to avoid harm otherwise.

**Religious  
Discrimination**

The prohibition against discrimination on the basis of religion includes all aspects of religious observances and practice, as well as religious belief, unless a district demonstrates that it is unable to reasonably accommodate an employee's or prospective employee's religious observance or practice without undue hardship to the district's business. "Undue hardship" means more than a *de minimus* (minimal) cost. *42 U.S.C. 2000e(j); 29 C.F.R. 1605.2; Labor Code 21.108*

Burden on Free

A district may not substantially burden an employee's free exercise of religion, unless the burden is in furtherance of a compelling governmental interest and is the least restrictive means of furthering that interest. *Civ. Prac. & Rem. Code 110.003*

**Sex Discrimination**

Pregnancy

The prohibition against discrimination because of sex includes discrimination on the basis of pregnancy, childbirth, or related medical conditions. A district shall treat women affected by pregnancy, childbirth, or related medical conditions the same as other employees for all employment-related purposes, including receipt of benefits under fringe benefit programs. *42 U.S.C. 2000e(k); 29 C.F.R. 1604.10; Labor Code 21.106*

**Disability Discrimination** A district may not discriminate against a qualified individual on the basis of disability in job application procedures, hiring, advancement, or discharge of employees, compensation, job training, and other terms, conditions, and privileges of employment. *42 U.S.C. 12112(a); 29 C.F.R. 1630.4(b); Labor Code 21.051*

Discrimination Based on Lack of Disability The ADA and the TCHRA do not provide a basis for a claim that an individual was subject to discrimination because of the individual's lack of disability. *42 U.S.C. 12201(g); 29 C.F.R. 1630.4(b); Labor Code 21.005(c)*

Definition of Disability "Disability" means:

1. An actual disability: a physical or mental impairment [see definition, below] that substantially limits one or more of an individual's major life activities;
2. A record of having such an impairment; or
3. Being regarded as having such an impairment.

An impairment that substantially limits one major life activity need not limit other major life activities in order to be considered a disability. An impairment that is episodic or in remission is a disability if it would substantially limit a major life activity when active.

*"Regarded as" Having an Impairment* An individual meets the requirement of being "regarded as" having an impairment if the individual establishes that he or she has been subjected to an action prohibited by the ADA because of an actual or perceived physical or mental impairment whether or not the impairment limits or is perceived to limit a major life activity.

Transitory and Minor The "regarded as" prong of the definition does not apply to impairments that are transitory or minor. A transitory impairment is one

with an actual or expected duration of six months or less. The “transitory” exception does not apply to the “actual disability” or “record of disability” prongs of the definition.

*Mitigating  
Measures*

The determination of whether an impairment substantially limits a major life activity shall be made without regard to the ameliorative effects of mitigating measures, such as medication, medical supplies, low-vision devices, prosthetics, hearing aids, mobility devices, oxygen therapy, assistive technology, or learned behavioral or adaptive neurological modifications.

The ameliorative effects of ordinary eyeglasses or contact lenses shall be considered in determining whether an impairment substantially limits a major life activity. Ordinary eyeglasses and contact lenses are lenses that are intended to fully correct visual acuity or to eliminate refractive error.

2. Any mental or psychological disorder, such as an intellectual disability (formerly termed “mental retardation”), organic brain syndrome, emotional or mental illness, and specific learning disabilities.

*29 C.F.R. 1630.2(h)*

*Major Life  
Activities*

“Major life activities” include caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working.

“Major life activities” also include the operation of major bodily functions, including functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive functions. Reasonable

*Direct Threat to Health or Safety*

As a qualification standard, a district may require that an individual not pose a direct threat to the health or safety of other individuals in the workplace. “Direct threat” means a significant risk to the health or safety of the individual or others that cannot be eliminated by reasonable accommodation. *42 U.S.C. 12111(3); 29 C.F.R. 1630.2(r); Labor Code 21.002(6)(B)*

**High School Diploma** A student may graduate and receive a diploma only if the student:

1. Successfully completes the curriculum requirements identified by the State Board of Education (SBOE) [see State Graduation Requirements, below], has performed satisfactorily on applicable state assessments [see EKB], and complies with the financial aid application requirements in Education Code 28.0256 [see below]; or
2. Successfully completes an individualized education program (IEP) developed under Education Code 29.005. [See EHBAB]

**Note:** Education Code 28.0256 applies beginning with students enrolled at the 12th grade level during the 2021–22 school year.

---

**FAFSA Required**

Before graduating from high school, each student must complete and submit a free application for federal student aid (FAFSA) or a Texas application for state financial aid (TASFA).

A student is not required to comply with the above provision if:

1. The student's parent or other person standing in parental relation submits a signed form indicating that the parent or other person authorizes the student to decline to complete and submit the financial aid application;
2. The student signs and submits the form described above on the student's own behalf if the student is 18 years of age or older or the student's disabilities of minority have been removed for general purposes under Family Code Chapter 31; or
3. A school counselor authorizes the student to decline to complete and submit the financial aid application for good cause, as determined by the school counselor.

A district shall adopt a form to be used for purposes of this provision. The form must be approved by the Texas Education Agency (TEA) and made available in English, Spanish, and any other language spoken by a majority of the students enrolled in a bilingual education or special language program under Education Code Subchapter B, Chapter 29, in the district.

If a school counselor notifies a district whether a student has complied with this section for purposes of determining whether the student meets high school graduation requirements under Education Code 28.025, the school counselor may only indicate whether the

student has complied with this section and may not indicate the manner in which the student complied.

Individual  
Graduation  
Committee

Without complying with the requirements above, a student may receive a diploma if the person is eligible for a diploma as determined by an individual graduation committee (IGC) established under Education Code 28.0258. *Education Code 28.025(c-6)*

A student receiving special education services is not subject to the IGC requirements in Education Code 28.0258 or 19 Administrative Code 74.1025. A student's admission, review, and dismissal (ARD) committee determines whether a student is required to achieve satisfactory performance on an end-of-course (EOC) assessment to graduate. *19 TAC 74.1025(n)* [See EHBAB]

For each 11th or 12th grade student who has failed to comply with the EOC assessment instrument performance requirements under Education Code 39.025 for not more than two courses, the district shall establish an IGC at the end of or after the student's 11th grade year to determine whether the student may qualify to graduate. A student may not qualify to graduate as a result of an IGC decision before the student's 12th grade year.

The IGC shall be composed of:

1. The principal or principal's designee;
2. For each EOC assessment instrument on which the student failed to perform satisfactorily, the teacher of the course;
3. The department chair or lead teacher supervising the teacher(s) above; and
4. As applicable:
  - a. The student's parent or person standing in parental relation to the student;
  - b. A designated advocate if the parent is unable to serve; or
  - c. The student, at the student's option, if the student is at least 18 years of age or is an emancipated minor.

The superintendent shall establish procedures for convening the committee.

The district shall provide an appropriate translator, if available, for a parent, advocate, or student who is unable to speak English.

*Education Code 28.0258(a)–(c), (c-2); 19 TAC 74.1025(b)*

A district may not establish an initial IGC for eligible students after June 10 or before the start of the next school year. Once the IGC has been established, it is the original IGC for that student.

If a student leaves a district after an original IGC has been established and before that original IGC awards a high school diploma to the student, any other district that later enrolls the student shall request information from the student's original IGC of record and shall implement the original IGC recommendations to the extent possible.

*Alternate  
Members*

In the event that the teacher identified in item 2 above is unavailable, the principal shall designate as an alternate member of the committee a teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is most familiar with the student's performance in that subject area.

In the event that the individual identified above in item 3 above is unavailable, the principal shall designate as an alternate member of the committee an experienced teacher certified in the subject of the EOC assessment on which the student failed to perform satisfactorily and who is familiar with the content of and instructional practices for the applicable course.

In the event that the student's parent or person standing in parental relation to the student is unavailable to participate in the IGC, the principal shall designate an advocate with knowledge of the student to serve as an alternate member of the committee.

*19 TAC 74.1025(c), (e), (g)–(i)*

*Notice*

A district shall ensure a good faith effort is made to timely notify the appropriate person described under item 4 above of the time and place for convening the IGC and the purpose of the committee. The notice must be provided in person or by regular mail or email; clear and easy to understand; and written in English, in Spanish, or, to the extent practicable, in the native language of the appropriate person. *Education Code 28.0258(d)*

*Curriculum  
Requirements*

To be eligible to graduate and receive a high school diploma from the IGC, a student must successfully complete the curriculum requirements required for high school graduation. [See State Graduation Requirements, below] *Education Code 28.0258(e)*

*Additional  
Requirements to  
Graduate*

A student's IGC shall recommend additional requirements by which the student may qualify to graduate, including additional remediation; and for each EOC assessment instrument on which the student failed to perform satisfactorily:

1. The completion of a project related to the subject area of the course that demonstrates proficiency in the subject area; or
2. The preparation of a portfolio of work samples in the subject area of the course, including work samples from the course that demonstrate proficiency in the subject area.

A student may submit to the IGC coursework previously completed to satisfy a recommended additional requirement.

*Education Code 28.0258(f), (g)*

In determining whether a student is qualified to graduate, the committee shall consider the criteria at Education Code 28.0258(h) and any other academic information designated for consideration by the board. After considering the criteria, the committee may determine that the student is qualified to graduate. A student may graduate and receive a high school diploma on the basis of the committee's decision only if the student successfully completes all additional requirements recommended by the committee, the student meets applicable curriculum requirements, and the committee's vote is unanimous. The decision of a committee is final and may not be appealed. *Education Code 28.0258(i)*

Students Who  
Entered Grade 9  
Before the 2011–12

In accordance with Education Code 28.02541, a district may award a high school diploma to an individual who:

1. Entered grade 9 before the 2011–12 school year;
2. Successfully completed the curriculum requirements for high school graduation applicable when the individual entered grade 9;

The district in which the individual is enrolled or was last enrolled shall determine whether the individual may qualify to graduate and receive a high school diploma on the basis of the alternative requirements for graduation. *19 TAC 74.1027(b)*

*Alternative  
Requirements*

The alternative requirements for graduation are listed at 19 Administrative Code 74.1027(c).

*Local Alternative

With approval by the board, a district may develop recommendations for local alternative requirements if the requirements would allow an individual to demonstrate proficiency in the content related to an examination for which the individual has not performed satisfactorily. *19 TAC 74.1027(d)*

*Appeals*

A decision regarding whether the individual qualifies to graduate and receive a high school diploma is final and may not be appealed. *19 TAC 74.1027(e); Education Code 28.02541*

The district shall maintain documentation to support the decision to award or not award an individual a high school diploma. *19 TAC 74.1027(f)*

Special Education

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation. *19 TAC 101.3023(a)* [See Graduation of Students Receiving Special Education Services, below, and EKB]

Posthumous  
Diploma

Beginning with students who would have graduated at the end of the 2019–20 school year, and on request of the student's parent, a district shall issue a high school diploma posthumously to each student who died while enrolled in the district at the end of the school year in which the student was expected to graduate under the regular schedule of school attendance. The high school diploma may

not be issued before the graduation date of the class in which the student was enrolled at the time of death.

*Exception*

A district is not required to issue a posthumous diploma if the student was convicted of a felony offense under Title 5 or 6, Penal Code, or adjudicated as having engaged in conduct constituting a felony offense under Title 5 or 6, Penal Code.

*Education Code 28.0254*

Diplomas for  
Veterans

Notwithstanding any other provision of this policy, a district may issue a high school diploma to a person who is an honorably discharged member of the armed forces of the United States; was scheduled to graduate from high school after 1940 and before 1975 or after 1989; and left school after completing the sixth or a higher grade, before graduating from high school, to serve in:

1. World War II, the Korean War, the Vietnam War, the Persian Gulf War, the Iraq War, or the war in Afghanistan; or
2. Any other war formally declared by the United States, military engagement authorized by the United States Congress, military engagement authorized by a United Nations Security Council resolution and funded by the United States Congress, or conflict authorized by the president of the United States under the War Powers Resolution of 1973, 50 U.S.C. 1541, et seq.

*Education Code 28.0251*

**Personal Graduation

Junior High or  
Middle School PGP

A principal of a junior high or middle school shall designate a school counselor, teacher, or other appropriate individual to develop and administer a personal graduation plan (PGP) for each student enrolled in the junior high or middle school who:

1. Does not perform satisfactorily on a state assessment instrument; or
2. Is not likely to receive a high school diploma before the fifth school year following the student's enrollment in grade level 9, as determined by a district.

A PGP must:

1. Identify educational goals for the student;
2. Include diagnostic information, appropriate monitoring and intervention, and other evaluation strategies;
3. Include an intensive instruction program described in Education Code 28.0213 [see EHBC];

4. Address participation of the student's parent or guardian, including consideration of the parent's or guardian's educational expectations for the student; and
5. Provide innovative methods to promote the student's advancement, including flexible scheduling, alternative learning environments, online instruction, and other interventions that are proven to accelerate the learning process and have been scientifically validated to improve learning and cognitive ability.

*Education Code 28.0212*

*Students  
Receiving  
Special  
Education  
Services*

For a student receiving special education services, the student's ARD committee and the district are responsible for developing the student's PGP.

A student's IEP developed under Education Code 29.005 may be used as the student's PGP.

*Education Code 28.0212(c); 19 TAC 89.1050(a) [See EHBAB]*

High School PGP

A principal of a high school shall designate a school counselor or school administrator to review PGP options with each student entering grade 9 together with that student's parent or guardian. The PGP options reviewed must include the distinguished level of achievement and endorsements.

Before the conclusion of the school year, the student and the student's parent or guardian must confirm and sign a PGP for the student that identifies a course of study that:

1. Promotes college and workforce readiness and career placement and advancement; and
2. Facilitates the student's transition from secondary to postsecondary education.

A district may not prevent a student and the student's parent or guardian from confirming a PGP that includes pursuit of a distinguished level of achievement or an endorsement.

A student may amend the student's PGP after the initial confirmation of the plan. If a student amends the student's PGP, the school must send written notice to the student's parents regarding the change.

TEA must make available to a district information that explains the advantages of the distinguished level of achievement described by Education Code 28.025(b-15) and each endorsement described by

Education Code 28.025(c-1). A district, in turn, shall publish the information from TEA on the internet website of the district and ensure that the information is available to students in grades nine and above and the parents or legal guardians of those students in the language in which the parents or legal guardians are most proficient.

A district is required to provide this information in the language in which the parents or legal guardians are most proficient only if at least 20 students in a grade level primarily speak that language.

*Education Code 28.02121*

**Early Graduation**

A parent is entitled to request, with the expectation that the request will not be unreasonably denied, that the parent's child be permitted to graduate from high school earlier than the child would normally graduate, if the child completes each course required for graduation. The decision of a board concerning the request is final and may not be appealed. *Education Code 26.003(a)(3)(C), (b)* [See FMH, FNG]

**State Graduation Requirements**

Academic  
Achievement and  
Evaluation

All students graduating must be provided with a summary of academic achievement and functional performance as described in 34 C.F.R. 300.305(e)(3). This summary must consider, as appropriate, the views of the parent and student and written recommendations from adult service agencies on how to assist the student in meeting postsecondary goals. An evaluation as required by 34 C.F.R. 300.305(e)(1) (evaluation to determine that the child is no longer a child with a disability), must be included as part of the summary for a student graduating under 19 Administrative Code 89.1070 (b)(2)(A), (B), or (C) or (g)(4)(A), (B), or (C). Students who participate in graduation ceremonies but who are not graduating under subsections (b)(2)(A), (B), or (C) or (g)(4)(A), (B), or (C) and who will remain in school to complete their education do not have to be evaluated. *19 TAC 89.1070(h)–(i)*

The student must also successfully complete the student's IEP and meet one of the following conditions:

- a. Consistent with the IEP, the student has obtained full-time employment, based on the student's abilities and local employment opportunities, in addition to mastering sufficient self-help skills to enable the student to maintain the employment without direct and ongoing educational support of the local school district.

Course Waiver

District officials shall waive specific courses required for graduation if similar coursework has been satisfactorily completed by a military student in another district or shall provide reasonable justification for denial. Should a waiver not be granted to a student who would qualify to graduate from the sending school, the district shall provide an alternative means of acquiring required coursework so that graduation may occur on time.

Transfers During  
Senior Year

Should a military student transferring at the beginning or during the student's senior year be ineligible to graduate from the district after all alternatives have been considered, the sending and receiving districts shall ensure the receipt of a diploma from the sending district, if the student meets the graduation requirements of the sending district. In the event that one of the states in question is not a member of this compact, the member state shall use best efforts to facilitate the on-time graduation of the student.

Substitute Passing  
Standard

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for completing a specific course otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the tenth grade level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

**State Assessment of Academic Skills**

Every student receiving instruction in the essential knowledge and skills shall take the appropriate criterion-referenced assessments, as required by Education Code Chapter 39, Subchapter B [see Testing in Grades 3–8, below]. *Education Code 39.023(a), (c), (f); 19 TAC 101.5*

A student may not receive a high school diploma until the student has performed satisfactorily on end-of-course (EOC) assessment instruments [see End-of-Course Assessments, below]. *Education Code 39.025(a); 19 TAC 101.4001*

Limited English Proficient Students

In grades 3–12, a limited English proficient (LEP) student, as defined by Education Code Chapter 29, Subchapter B, shall participate in the state assessment in accordance with commissioner rules at 19 Administrative Code Chapter 101, Subchapter AA. *Education Code 39.023(l), (m)* [See EKBA]

Special Education

The Texas Education Agency (TEA) shall develop or adopt appropriate criterion-referenced alternative assessment instruments to be administered to each student in a special education program for whom a state assessment instrument adopted under Education Code 39.023(a), even with allowable accommodations, would not provide an appropriate measure of student achievement, as determined by the student's admission, review, and dismissal (ARD) committee, including assessment instruments approved by the commissioner of education that measure growth. The assessment instruments developed or adopted, including the assessment instruments approved by the commissioner, must, to the extent allowed under federal law, provide a district with options for the assessment of students.

TEA may not adopt a performance standard that indicates that a student's performance on the alternate assessment does not meet standards if the lowest level of the assessment accurately represents the student's developmental level as determined by the student's ARD committee.

The student's ARD committee shall determine whether any allowable modification is necessary in administering to the student a required EOC assessment instrument under Education Code 39.023(c), and whether the student is required to achieve satisfactory performance on an EOC assessment instrument to receive a high school diploma.

Military Dependents

If the student is a military dependent, the district shall incorporate procedures to accept:

In the event the above alternatives cannot be accommodated by the receiving state for a military dependent transferring in his or her senior year, then Education Code 162.002 article VII, section C, shall apply.

*Substitute  
Passing Standard*

The commissioner shall adopt a passing standard on one or more national norm-referenced achievement tests for purposes of permitting a qualified military dependent to meet that standard as a substitute for achieving a score on an assessment instrument otherwise required for graduation. The passing standard is available only for a student who enrolls in a public school in this state for the first time after completing the ninth grade or who reenrolls in a public school in this state at or above the grade 10 level after an absence of at least two years from the public schools of this state. Each passing standard in effect when a student first enrolls in a Texas public high school remains applicable to the student for the duration of the student's high school enrollment, regardless of any subsequent revision of the standard.

*Education Code 162.002 art. VII [See EIF]*

**Administration**

A district shall follow the test administration procedures established by TEA in the applicable test administration materials. A superintendent shall be responsible for administering tests. *19 TAC 101.25, .27*

**Schedule**

The commissioner shall specify the schedule for testing that is in compliance with Education Code 39.023(c-3) and supports reliable and valid assessments. Participation in University Interscholastic League (UIL) area, regional, or state competitions is prohibited on any days on which testing is scheduled between Monday and Thursday of the school week in which the primary administration of assessment instruments occurs.

The commissioner may provide alternate dates for the administration of tests required for a high school diploma to students who are migratory children and who are out of the state.

*19 TAC 101.25*

*Alternate Test  
Dates*

The commissioner shall consider requests from districts or campuses for alternate test dates on a case-by-case basis. Alternate

test dates will only be allowed if the campus or district is closed on the day on which testing is scheduled or if there is an exceptional circumstance, defined below, that may affect a district's or campus's ability to administer an assessment or the students' performance on the assessment.

"Exceptional circumstances" include:

1. Inclement weather or natural disasters that would cause a district or campus to be closed or that would cause a small percentage of students to be in attendance on the day testing is scheduled;
2. Health epidemics that result in a large number of students being absent on the day of testing;
3. Death of a student or school official that may impact student performance; and
4. Sudden emergencies that occur on the day of testing or shortly before testing that may inhibit students from completing the assessments, such as a fire on campus, a bomb threat, an extended power outage, or a water main break.

If an alternate test date for primary test administration is approved, the commissioner may prohibit a district or campus from participating in UIL competition on the new test date if that is determined to be in the best interest of the district, campus, and students.

*19 TAC 101.5003*

#### **Notice to Parents and Students**

A superintendent shall be responsible for providing written notice to each student and the student's parent or guardian of:

1. The testing requirements for grade advancement [see EIE] and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's kindergarten year, for students attending kindergarten in the district, and no later than the beginning of the student's first-grade year for all other students. The superintendent shall also provide such notice for students in grades 1–8 who are new to the district.
2. The testing requirements for graduation and the dates, times, and locations of testing. Notice of testing requirements shall be provided no later than the beginning of the student's seventh-grade year. The superintendent shall also provide such notice for students in grades 7–12 who are new to the district. Notice of the dates, times, and locations of testing shall be

provided to each student who will take the tests and to out-of-school individuals.

*19 TAC 101.3012*

**Testing in  
Grades 3–8**

Except as provided below, all students, other than students who are assessed under Education Code 39.023(b) (alternative assessment instrument) or 39.023(l) (LEP students) or exempted under Education Code 39.027, shall be assessed in:

1. Mathematics, annually in grades 3–8;
2. Reading, annually in grades 3–8;
3. Writing, including spelling and grammar, in grades 4 and 7;
4. Social studies in grade 8;
5. Science in grades 5 and 8; and
6. Any other subject and grade required by federal law.

*Education Code 39.023(a)*

Exception

For purposes of federal accountability, a student shall not be administered a grade-level assessment if the student:

1. Is enrolled in a course or subject intended for students above the student's enrolled grade level and will be administered a grade-level assessment instrument developed under the list above that aligns with the curriculum for that course or subject within the same content area; or
2. Is enrolled in a course for high school credit in a subject intended for students above the student's enrolled grade level and will be administered an EOC assessment instrument that aligns with the curriculum for that course or subject within the same content area.

For purposes of federal accountability, a grade 3–8 student who is accelerated in mathematics, reading/language arts, or science and on schedule to complete the high school end-of-course assessments in that same content area prior to high school shall be assessed at least once in high school with the ACT or the SAT.

A student is only eligible to take an assessment instrument intended for use above the student's enrolled grade if the student is on schedule to complete instruction in the entire curriculum for that subject during the semester the assessment is administered.

Kindergarten  
Assessment

An assessment instrument under Education Code 39.023 may not be administered to a kindergarten student except for the purpose of determining whether the student is entitled to the benefit of the Foundation School Program [see FD]. *Education Code 39.023(a-16)*

Prekindergarten  
Assessment

Performance on an assessment instrument administered to students in prekindergarten may not be considered for any purpose related to Education Code Chapters 39 and 39A. *Education Code 39.0237*

Accommodations

Testing accommodations are permitted for any student unless they would make a particular test invalid. Decisions regarding testing accommodations shall take into consideration the needs of the student and the accommodations the student routinely receives in classroom instruction. Permissible testing accommodations shall be described in the appropriate test administration materials.

The committee established by a board to determine the placement of students with dyslexia or related disorders shall determine whether any allowable modification is necessary in administering an assessment to such a student.

A student's ARD committee shall determine the allowable accommodations and shall document them in the student's individualized education program (IEP). [See Special Education, above]

**End-of-Course  
Assessments**

Beginning with students first enrolled in grade 9 in the 2011–12 school year, a student enrolled in a course for which an EOC assessment exists as required by Education 39.023(c) shall take the appropriate assessment. *19 TAC 101.3021(a)*

TEA shall adopt EOC assessment instruments for secondary-level courses in Algebra I, biology, English I, English II, and United States history. The Algebra I EOC assessment instrument must be administered with the aid of technology, but may include one or more parts that prohibit the use of technology. The English I and English II EOC assessment instruments must each assess essential knowledge and skills in both reading and writing and must pro-

vide a single score. A district shall comply with State Board of Education rules regarding administration of the assessment instruments listed in this provision.

If a student is in a special education program, the student's ARD committee shall determine whether any allowable modification is necessary in administering to the student an assessment instrument required under this provision.

*Education Code 39.023(c)*

Students Enrolled  
Below High School  
Level

Beginning in the 2011–12 school year, a student in grade 8 or lower who takes a high school course for credit is required to take the applicable EOC assessment. The EOC assessment result shall be applied toward the student's assessment graduation requirements, as specified in 19 Administrative Code 101.3022. 19 TAC 101.3021(d)

Assessment  
Requirements for  
Graduation

A student must meet satisfactory performance on an EOC assessment listed in Education Code 39.023(c) only for a course in which the student is enrolled and for which an EOC assessment instrument is administered in order to be eligible to receive a Texas diploma.

*Exceptions*

English I or  
English II

A student who was administered separate reading and writing EOC assessments under Education Code 39.023(c), for the English I or English II course has met that course's assessment graduation requirement if the student has:

1. Achieved satisfactory performance on either the reading or writing EOC assessment for that course;
2. Met at least the minimum score on the other EOC assessment for that course; and
3. Achieved an overall scale score of 3750 or greater when the scale scores for reading and writing are combined for that course.

Exceptions related to English I also apply to English language learners who meet the criteria in 19 Administrative Code 101.1007. [See EKBA]

Credits Earned  
Prior to  
Enrollment

If a student earned high school credit for a course with an EOC assessment prior to enrollment in a Texas public school district and the credit has been accepted by a Texas public school district, or a student completed a course for Texas high school credit in a

course with an EOC assessment prior to the 2011–12 spring administration, the student is not required to take the corresponding EOC assessment.

*19 TAC 101.3021(e), .3022*

Substitute  
Assessments

The commissioner adopts certain assessments as substitute assessments that a student may use in place of a corresponding EOC assessment to meet the student's assessment graduation requirements. A satisfactory score on an approved assessment may be used in place of only one specific EOC assessment, except as provided by 19 Administrative Code 101.4002(d)(1) (student who qualifies for use of the Texas Success Initiative (TSI) as a substitute assessment and is enrolled in certain college preparatory courses).

A student at any grade level is eligible to use a substitute assessment as provided in the commissioner's chart at 19 Administrative Code 101.4002(b) if the student:

1. Was administered an approved substitute assessment for an equivalent course in which the student was enrolled;
2. Received a satisfactory score on the substitute assessment as determined by the commissioner and provided in the chart at 19 Administrative Code 101.4002(b); and
3. Using a TSI assessment also meets the additional criteria of 19 Administrative Code 101.4002(d).

*TSI Additional  
Criteria*

A student must meet the criteria established in 19 Administrative Code 101.4002(d) in order to qualify to use TSI as a substitute assessment.

Accountability  
Testing

A student electing to substitute an assessment for graduation purposes must still take the corresponding EOC assessment required under Education Code 39.023(c) at least once for accountability purposes. If a student sits for an EOC assessment, a district may not void or invalidate the test in lieu of a substitute assessment.

A student who fails to perform satisfactorily on a PSAT, PLAN, or Aspire test (or any versions of these tests) as indicated in the chart in 19 Administrative Code 101.4003(b) must take the appropriate EOC assessment required under Education Code 39.023(c). However, a student who does not receive a passing score on the EOC assessment and retakes a PSAT, PLAN, or Aspire test (or any versions of these tests) is eligible to meet the requirements specified in 19 Administrative Code 101.4002(c).

A student dismissed from a special education program must achieve satisfactory performance on any remaining EOC assessments that the student is required to take. If the student fails to achieve satisfactory performance on no more than two of the remaining EOC assessments, the student is eligible for IGC review under Education Code 28.0258 and is subject to the</p>

A student receiving special education services who successfully completes the requirements of his or her IEP, including performance on a state assessment required for graduation, shall receive a Texas high school diploma. A student's ARD committee shall determine if the student will be required to meet satisfactory performance on an assessment for purposes of graduation.

Beginning with the 2011–12 school year, all grades 9–12 students with significant cognitive disabilities who are assessed with an alternate assessment as specified in the student's IEP will be assessed using alternate versions of EOC assessments as listed in 19 Administrative Code 101.3011(b)(2).

Additional State  
Assessments

TEA may adopt EOC assessment instruments for courses not listed in statute, as described above. A student's performance on these EOC assessment instruments is not subject to the performance requirements established for the statutory assessments. *Education Code 39.023(c-2)*

Retakes

Each time an EOC assessment instrument is administered, a student who failed to achieve a score requirement may retake the assessment instrument. [See Satisfactory Performance, above]

A student is not required to retake a course as a condition of retaking an EOC assessment instrument.

If a student failed a course but achieved satisfactory performance on the applicable EOC assessment, that student is not required to retake the assessment if the student is required to retake the course.

  - b. Coursework, a college entrance examination, or an assessment instrument designated under Education Code 51.334(a) indicates that the student is not ready to perform entry-level college coursework; and
2. To prepare students for success in entry-level college courses.

A course must be provided on the campus of the high school offering the course or through distance learning or as an online course provided through the institution of higher education with which the district partners.

Districts and campuses and the superintendent and campus principals in each district and campus shall:

1. Implement and ensure compliance with state test administration procedures and training activities;
2. Notify TEA as soon as the district becomes aware of any alleged or suspected violation of the security or confidential integrity of a test [see Violations, below];

3. Report all confirmed testing violations to TEA within ten working days of the district becoming aware of the violation in accordance with the reporting process stipulated in the test administration materials;
4. Ensure that the only individuals with access to secure test materials are district employees who have:
  - a. Met the requirements to participate in the student assessment program;
  - b. Received annual training in test security and test administration procedures; and
  - c. Signed an oath affirming they understand their obligation to maintain and preserve the security and confidentiality of all state assessments and student information, acknowledge their responsibility to report any suspected testing violation, and are aware of the range of penalties that may result from a violation of test security and confidentiality or a departure from test administration procedures; and
5. Ensure the security of the test materials as required by 19 Administrative Code 101.3031(a)(2)(E).

13. Failing to implement sufficient procedures to prevent student cheating; and
14. Failing to implement sufficient procedures to prevent alteration of test documents by anyone other than the student.

Consequences

If a district determines that a student has cheated or attempted to cheat on a state assessment either by providing or receiving direct assistance, the district shall invalidate the student's test results.

Any violation of test security or confidential integrity may result in TEA:

1. Invalidating student test results;
2. Referring certified educators to the State Board for Educator Certification (SBEC) for sanctions in accordance with 19 Administrative Code Chapter 247 (Educators' Code of Ethics) and Chapter 249 (Disciplinary Proceedings, Sanctions, and Contested Cases); and

**Definitions**

"Recent unschooled immigrant" means an immigrant who initially enrolled in a school in the United States not more than 12 months before the date of the administration of an assessment and who, as a result of inadequate schooling outside of the United States, lacks the necessary foundation in the essential knowledge and skills of the curriculum determined by the LPAC. *Education Code 39.027(g)*

"Unschooled asylee or refugee" means a student who:

1. Initially enrolled in a school in the United States as:
  - a. An asylee as defined by 45 C.F.R. 400.41; or
  - b. A refugee as defined by 8 U.S.C. 1101;
2. Has a visa issued by the U.S. Department of State with a Form I-94 Arrival/Departure record, or a successor document, issued by the U.S. Citizenship and Immigration Services that is stamped with "Asylee," "Refugee," or "Asylum"; and

3. As a result of inadequate schooling outside of the United States, lacks the necessary foundation in the essential knowledge and skills of the curriculum prescribed under Education Code 28.002, as determined by the LPAC established under Education Code 29.063.

*Education Code 39.027(a-1); 19 TAC 101.1005(c)*

“Inadequate schooling outside the United States” is defined as little or no formal schooling outside the United States such that the asylee or refugee lacks basic literacy in his or her primary language upon enrollment in school in the United States. *19 TAC 101.1005(d)*

**Limitations on Exemptions**

First Year After Enrollment

A LEP student may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to one year after initial enrollment in a school in the United States if the student has not demonstrated proficiency in English as determined by the assessment system developed to evaluate academic progress of a LEP student. *Education Code 39.027(a)(1)*

Subsequent Years

A LEP student granted the initial exemption period above may be administered an accommodated or alternative assessment instrument or may be granted an exemption from or a postponement of the administration of the state assessment for up to:

1. An additional two years if the student is a recent unschooled immigrant or is in a grade for which no assessment instrument in the primary language of the student is available; or
2. An additional four years if the student’s initial enrollment in a school in the United States was as an unschooled asylee or refugee.

The LPAC must determine that the student lacks the academic language proficiency in English necessary for an assessment in English to measure the student’s academic progress in a valid, reliable manner.

Minimum Days for Enrollment

Regardless of the date on which the student initially enrolled in a school in the United States, unless a student is enrolled in a school in the United States for a period of at least 60 consecutive days

during a year, the student may not be considered to be enrolled in a school in the United States for that year for the purpose of determining a number of years under Education Code 39.027(a)(1), (2), or (3).
