

## **ALEJO ISD BOARD MEETING TEMPLATE**

**MEETING DATE:** May 20, 2024

**AGENDA ITEM:** District Instructional Focus

**PRESENTER:** Dr. Amber Crissey, Assistant Superintendent of Curriculum & Instruction; Deanne Torres, Math Coordinator; Dr. Keely Hulme, Instructional Specialist; Leigh Ann Posey, MMS Teacher

### **BACKGROUND INFORMATION:**

- The district instructional data dashboard provides the district with a systematic process for gathering multiple data points to track implementation levels of the district instructional focus areas and to monitor student progress data throughout the school year.
- The Curriculum & Instruction Department will provide the Board with a math teaching and learning update.
- During the 2023-2024 school year, the Math Department has focused on bridging achievement gaps in mathematics, enhancing student engagement, and increasing postsecondary readiness as follows:
  - Vertical and Horizontal Alignment: Aligning curriculum coherence across grade levels to ensure seamless progression and consistency within each level.
  - Student-Centered Coaching Cycles: Cultivating a collaborative atmosphere conducive to academic advancement.
  - Learner Engagement: Implementing instructional strategies aimed at igniting curiosity and active participation.
  - Postsecondary Readiness in Math: Analyzing student data, providing targeted math intervention and increasing college readiness initiatives.
