

Lead Testing Reimbursement:

- The District formally requested reimbursement for the 51 samples we had performed by PIXIS Labs – each sample cost the district \$24.
- Date reimbursement requested 11/18/16.
- Total value of the reimbursement requested: \$1,224.
- The funds will be placed back in the Risk Fund once received.
- Per discussion with ODE the samples we completed on the soil are not eligible for reimbursement.
