3. PBIS and Why Try

Our plan is to integrate Why Try, Christian Moore Teaching Kids to be Resilient, into PBIS to continue to enhance our culture of care. Josh, Our Camp Sunrise teacher, is using this on a daily basis in his classroom.

Where do we go from here? Why Try provides a great sequence for lessons. Next year, we would like to roll this out in our PBIS format. There was some research done on how to adapt this to our K-2 Program. There are some great books paired with the main teaching that would be great to help develop these ideas in K-2.

Our need now: We have a K/1 need for some Socio-emotional teaching. PBIS books were ordered.
