James Bunt,

As 2020 is coming to an end I wanted to reach out to you and give my sincerest gratitude for all that you have done this year to assist and help Central Arkansas Development Council achieve our goals and mission.

Central Arkansas Development Council is a private nonprofit community action agency. CADC is a local force in the War on Poverty. CADC provides a hand-up, promoting self-help in our neighborhoods and for our families. We are committed to providing opportunities for empowerment for individuals, families and the community.

The mission of CADC is to alleviate the causes and conditions of poverty, to help vulnerable populations achieve their potential and to build strong communities in Arkansas through community action. CADC has a 19 county service area, from Lonoke County down to the Texarkana/Louisiana border.

Your selfless act of kindness to volunteer for 128 hours in May 2020 during a national pandemic, helped CADC hand out 10,000 emergency food boxes to families in need in Arkansas. You were pivotal in helping pack the boxes, pack the frozen food boxes, and hand them out. I can truly say you were and enormous help to this agency.

I also want to take the time to thank you for volunteering for 50 hours to assist us with our LIHEAP Program (Low Income Home Energy Assistance Program) and for 20 hours with our Commodities Program.

As a Community Action Agency we know and understand that resources are limited, people are dealing with being laid off, parents are working from home, and children are attending school virtually but with all this going on in the world you took the time to volunteer at CADC and helped us pull together to provide for our fellow Arkansan.

I personally want to thank you for all your help to CADC in 2020. You are the true embodiment of what it means to help your fellow man. On behalf of CADC your help has been greatly appreciated, not just by CADC but also by the individuals that we serve.

Sincerely,

Randy Morris
