Home of the Browning Indians!

BNAS committee |

Wellness

Committee Mtg.

The Wellness committee created a logo, design and partnered with the Blackfeet Tribal Health programs for summer wellness activities. They also worked on revamping the district health curriculum to add wellness activities, a matrix, and goals for the upcoming year.

Strategic Plan Update

Trauma Invested

The Capstone Project for our district was submitted with the 3 goals as: 1) Positive School Climate 2) Counseling reform 3) new suicide assessment. Presented in July.

Working on PD for Restorative Practices, Trauma Invested, by meeting the social emotional needs of our students for the upcoming year. Began the SEL class at BCC in April, again in June. August is set for all admin and then during staff orientation for whole district.

Cultural Life Skills and the wellness committee

Partnered with Spokinapi, 21st Century, BPS Wellness Committee and Blackfeet Tribal Health Program to put on Fun run – we had over 340 participants. Thanks also to Everett Armstrong for singing to kick off event.

Community Involvement

for students

21st century is offering tutoring in all buildings. Students will begin doing activities in the spring based around their own interests and community service options.

Superintendent Corrina Guardipee-Hall ED.S. Received certificate – Graduated from the AASA National Superintendent Certification Program!

Thank you to the Browning School Board, Matthew Johnson, Charlie & Sienna Speicher and Robert Hall for your help!

New this year!

- 1) This year we will have student councils in every school building, and each one will send a representative to the Student Superintendent Advisory Committee monthly meeting.
- 2) New direction for our counselors and mental health specialists in the district – Matthew Johnson, our Director of Student Support Services will be having monthly department meetings to help further enhance our “Whole Child Supports.”

Browning School District #9 Mission

Browning Public Schools work with all stakeholders – families, students, staff, trustees and community – to provide a high quality, culturally diverse education for all our children using guidance, teaching, and support through collaboration and communication.

Browning School District #9 VISION

- ▶ Browning Public Schools is a safe environment that teaches personal and community wellness and provides support and strategies for overcoming adversity.
- ▶ In Browning Public Schools, we are free to teach and learn successfully. We instill and develop respect and pride for self, family, school, community, our environment and all cultures through service to others.
- ▶ We model accountability, hard work and personal accountability through humility and dedication – demonstrating that these values are the responsibility of all.
- ▶ We cultivate and nurture strong partnerships with the community to build citizens who have a sense of place, respect for Mother Earth, and an understanding of the rights and responsibilities of, and to, all people in all communities.
