Grant Proposal	Funding Agency	Amount Requested	Submission Date	Decision Date	Action Required
Title VII Indian Education Formula Grant	U.S. Department of Education	\$37,310	13 May 2016	31 May 2016	Permission to Apply
Title VII grants address the unique education and culturally related academic needs of American Indian and Alaska Native students so that these students can achieve to the same challenging state performance standards expected of all students. Grant funds supplement the regular school program and help Native American students to improve their academic skills, become proficient in core content areas, provide students an opportunity to participate in enrichment, and build community with our Native families.					
Adaptive Math Pilot	Oregon Dept. of Education	\$46,198	2 May 2016	10 May 2016	Permission to Apply
The adaptive math learning grants will provide the opportunity to pilot learning technologies in Oregon classrooms, grades K to 8. An adaptive learning technology is software or a Web-based application that can personalize education for a student, adapt based on student interaction, and provide feedback to teachers, students, and families about student progress. The purpose of this project is to identify and evaluate interactive, computer-based programs to support blended learning environments.					
Carol M. White Physical Education Program	U.S. Department of Education	\$660,000 (est.)	20 May 2016	30 Sep 2016	Permission to Apply
The Carol M. White Physical Education Program provides grants to districts and community-based organizations to initiate, expand, or enhance physical education programs, including before school, after school, and summer programs for students in kindergarten through 12th grade. Grant recipients must implement programs that help students make progress toward meeting their state's standards for physical education.
