Quarterly Class Size Reduction Certification

Justification for Variances

With all day kindergarten, our facilities are limited in elementary schools. In order to accomate class size requirements the district would have to remodel most elementary schools in order to have available classrooms. Construction alone would exceed 10s of millions of dollars of capital funding the district does not have access to. The district has difficulties hiring teachers in all Lyon CSD schools due to the rural setting and five unique areas within the District. The district has designated Elementary teachers as a critical labor shortage in efforts to filling the classrooms with qualified teachers.

School-Level Plan to Address the Student-Teacher Ratios

The enrollment numbers have been stable for our district for years. If class sizes do grow larger we would open an allocation and work on hiring additional teachers. This will be re-evaluated at the start of each quarter.

CERTIFICATION

I, Tim Logan hereby request this variance from the Nevada State Board of Education and certify that the justifications cited are accurate and complete.
