 Subject: ELA 11/12 Textbook Recommendation

I am requesting to be placed on the agenda for the July 27 Board of Education's Curriculum Committee to bring a recommendation of Study Sync for English Language Arts classrooms in grades 11 and 12.

Mrs. Christine Fankell, K-12 Language Arts and Social Studies Coordinator worked with a committee of ten high school teachers over the past year to select a textbook for ELA 11 and ELA 12. The committee completed the district prescribed textbook adoption process and the Secondary Principals support the recommendations. In her attached memos, Mrs. Fankell shares more details about the evaluation process used. The textbooks are available to review in my outer office area. Sample textbooks will also be available at the Committee and Board meetings.

Courses: ELA 11 and ELA 12
