NAMING FACILITIES

The Board may name a District facility or a portion thereof:

1. To reflect the name of the residential community or communities that the facility serves;
2. After a local geographic area or feature, or after local municipalities;
3. In honor of a family, individual or organization donating property to the District; or
4. To honor an outstanding individual.

Consideration of the naming of a facility shall be included on the agenda for Board approval.
