

OES Principal's Report – January 16, 2013

Enrollment as of 01-07-2013:

EE—2

PreK—59

Kdg—62

1ST—65

2ND—69

3RD—62

4TH—65

5TH—62

TOTAL---446

Third Six-Weeks Report Cards and information concerning upcoming after-school tutorial sessions went out on Wednesday, the 9th.

So far OES has collected 4240 box tops which is roughly \$424.00. We will continue to collect box tops and could possibly have another contest sometime in the spring. Mrs. Mecke's class won the competition by turning in 709 box tops!

Pennies for Patients started on the 14th with a kickoff assembly last Friday. Our goal this year is \$2,500, which is close to what we raised last year. There is even a link on the OES homepage that will allow people to donate, so hopefully this will assist our students in reaching their goal.

K-2nd grades are about to begin Mid-Year TPRI testing. Third-Fifth grades continue to work on assessments and are in the process of planning for our upcoming practice STAAR testing days.

The instructional coach from ESC 15 continues to visit our campus conferring with our Math instructors regarding best practices.
