Regular Meeting April 14, 2022

ITEM: 2021/22 English Language Proficiency Instructional Materials Adoption

PREPARED BY: Scott Sullivan

TYPE OF ITEM: Action

BACKGROUND INFORMATION:

The district English Language Proficiency Instructional Materials adoption committee has met over the past six months. The **Estacada School District** English Language Development (ELD) Specialists on the committee agreed that the *K-5 Language for All* and *6-12 Houghton Mifflin-Harcourt English 3D* materials best meet the learning needs of emerging bilingual students in our district. To reach this decision, we used the Oregon English Language Proficiency Adoption Criteria for Instructional Materials provided by the Oregon Department of Education and the Estacada School District English Language Proficiency Screening Criteria. We reviewed three programs using these criteria documents and *K-5 Language for All* and *6-12 Houghton Mifflin-Harcourt English 3D* rose to the top.

FINANCIAL INFORMATION:

The 6-12 ELP Instructional Materials Adoption Committee recommends ***English 3D*** for adoption. 6 year subscription cost: **\$21,635**

RECOMMENDATION:

To approve the committee's recommendation to purchase English Language Proficiency instructional materials.
