Principal's Message

*Be Safe * Be Respectful * Be Responsible*

Community involvement is not only encouraged at Evergreen, but it is a vital component to our continuous success as a school. Throughout the school year we hold several events in an attempt to bring our parents and community members into our building. We host open house, various concerts, awards assemblies, harvest festival and recently we were involved in the art walk. Our next event will be our multi-cultural celebration event on March 5th. These events are always a great way to connect with our community in a casual and fun way. I want to take this opportunity to thank the outstanding staff members, PTA and parent volunteers that help us make these activities possible. It takes a tremendous amount of time, energy and planning to make our events as successful as they have been. This Evergreen Family cares! You can see it on the faces of our students and hear it in their voices. Not just during one of our events, but in the classroom, on the playground and walking the hallways; all because of the collective effort to make this school a better place. Thank you.

The effort continues! The Evergreen PTA needs members. Please consider joining this productive and appreciated group of parents and staff members. It is truly a worthwhile commitment and adds significant value to this school. Contact the office for details on meeting times and membership information.

Our organization received a grant for the first time from the Department of Human Services. This grant provides funding for our SMART Moves, Power Hour, Triple Play and Family Plus programs. Our Club needs to put a minimum of 20 members through these programs and they must complete all parts of the grant to qualify. This February we will be graduating our first class of participants on Friday the 20th.

Activities for the graduating members will begin at 5:30 with gym games and activities followed by the graduation ceremony at 7pm. Families are welcome to come play games with their child, we will be offering food, fun and information to all that attend.
