EA DADS Focus for 2025-2026

This year, EA DADS is focused on family engagement, mentorship, student success, and community building. Together, we will strengthen the role of dads and father figures in supporting our students in school.

BPAC focus for 2025-2026:

The Bilingual Parent Advisory Council group aims to strengthen connections between schools and families by fostering meaningful communication, cultural understanding, and active parent participation. Our focus is to empower bilingual parents with resources, leadership opportunities, and collaboration that supports student success and create an inclusive school community.

Student Services

Student Services will present at the September BPAC meeting to introduce the goal of creating a dedicated Student Services parent group. This new group will provide families with opportunities for collaboration, feedback, and support. The presentation will also include a preview of the Student Services plan for the 2025-2026 school year.
