Detailed Description of the gift:

The Beye School PTO would like to provide William Beye Elementary School a grant of \$3,600 for the Beye 5th grade to partner with Hubbard Street Dance Chicago for an 8 week partnership.

Intended Use:

This partnership would be part of Hubbard Street Dance Chicago's (HSDC) Creative Movement curriculum, and includes pre-planning with HSDC dance education professionals to align with what teachers are presenting to students in the classrooms. HSDC's dance education professionals will meet with each of the 5th grade classes once a week. They will also have a culminating sharing which will be open to other grade levels and families.

How will the gift impact the district (brief description)?:

Hubbard Street's Creative Movement curriculum allows young dancers to explore their developing movement skills while interacting with supportive adults and peers. Inquisitiveness & student voice/choice are celebrated. As they advance through the dance learning journey, young dancers build skills such as gross motor skill development, coordination, personal mindset, understanding sequence and pattern, and learning the art of small group work and collaboration. Our learners will utilize dance concepts and vocabulary to investigate & explore the creative process.

Donation Timeline:

Beye School PTO would like to present the funding to the school in time for the program to be put into place for the Spring trimester.

Cheryl - Please see review the gift form for the request of funding for the Hubbard Street Dance partnership with the 5th grade. We want to submit this to the Board of Education before making a final decision on funding the grant request, as this is currently outside of our budget.
