Subject: The Laurasian Institution Academic Year Exchange program

Dear Mr. Grauer and Ms. Elliott,

I'm writing from a foreign exchange student organization based in Seattle, WA. The Laurasian Institution (TLI). TLI is a non-profit, non-governmental organization founded in 1990. TLI's Academic Year Program brings high school students from China, Japan, and Korea to the United States on an academic year exchange at an American high school. Our students are "cultural ambassadors" who will volunteer in the school's language or social studies classrooms to help build greater understanding of their home countries to the high school community.

We are very excited to be working with Andrew Scott and the Sheridan-Japanese School next year to place one of our Japanese students at that school. Mr. Scott is working with TLI as a Local Coordinator and will be responsible for placing exchange students at Sheridan-Japanese, Amity, and McMinnville High Schools. As part of his duties, Mr. Scott will screen and vet host families, mentor and support students, and offer assistance to our exchange students when needed.

We would love to work with the Sheridan School District in the future. I understand Mr. Scott will be speaking with you soon. Please let me know if you have any questions about our program. My number is 206-367-2152.

Thank you for your time!

Susan Taylor
Regional Director
The Laurasian Institution
