Dear Mr. Sandoval:

Keeping teens safe on the road is one of the most troubling social issues of our time. Car crashes are the number one killer of teens, and a teen's first year on the road is the most dangerous. State Farm® is firmly committed to preventing these tragedies and we are happy to partner with you in this effort.

For more than a decade, State Farm has teamed with the Children's Hospital of Philadelphia to focus on how we can change behavior to improve teen driver safety. Using this expertise as a guide, State Farm debuted a new approach to keep teens safe on the road. On September 15, 2012, Celebrate My Drive® events rallied communities to celebrate new drivers as they explore the road ahead. By celebrating the drive with teens and their parents and funding programs like yours, State Farm is working to prevent teen crashes, reduce injuries and save lives.

As part of Celebrate My Drive 2012, we are pleased to deliver this teen driver safety grant to your school. We appreciate your efforts to help address this important issue.

For more information regarding the events that took place across the U.S. and Canada on September 15th, please visit <http://teendriving.statefarm.com/> and stay tuned for updates on our 2013 events.

Sincerely,
