Re: Athletic Fields

I would like an opportunity to share the Churchill High School athletic fields bid results with the Board of Education. As mentioned to the Board at the Study Session of February 26, 2018, the bid opening for this Sinking Fund project occurred on March 6, 2018. I would like to remind you that, while Churchill's athletic fields will be the main focus of the bid result, the field turf bid was for all three high school athletic fields. This was done so that the turf field manufacturer would be consistent for all three schools' projects. Scott Smith from Plante Moran CRESA will be joining us at the Committee of the Whole meeting to discuss details.

Please add this request to the agenda of the Monday, March 12, 2018, Committee of the Whole Meeting. As always, let me know if there are any additional questions. Thank you.
