News from Mr. Regal

Hello Evergreen Families,

We will be finishing up our first 9 weeks of school on November 1st and progress reports will be given to you at your parent/teacher/student conference on **November 19th or 20th**, depending on your scheduled time with your teacher. **If you are not able to meet with your child's teacher, the progress reports will be sent home on November 26th with your child.**

Conferences are a time for teachers and parents to discuss your child academically, behaviorally, and socially. So, please try to make these conferences and if you are unable please communicate with your child's teacher about other options if necessary.

The teachers and assistants have been continuing to do what is best for all kids in the classroom. **Please remember this is a team effort and you can support your child's education by checking backpacks nightly for homework, notes from teachers, school flyers, etc.** This will help keep the communication between home and school more fluid.

Thanks for your continued support in the education of your child and/or children.

David Regal

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at 541-862-3111 x 5202.

Number of children at the school** 401

Percent of children with no immunization or exemption record:5%

Percent of children with a medical exemption for one or more vaccine(s):0%

* Not all immunizations are required for all grades. These numbers may not total 100% if some children have medical exemptions, or are incomplete or in process with immunizations but do not need an exemption because they are on schedule.

**There is/are also 0 child(ren) enrolled for whom immunizations are not required to be reported because their records are tracked by another site or they attend fewer than 5 days per year.

†Blanks indicate this vaccine was not required in the grades at this school, or this vaccine was required for fewer than 10 children.

WHEN IS SICK TOO SICK FOR SCHOOL?

Send me to school if...

I have a runny nose or just a little cough, but no other symptoms.

I haven't taken any fever reducing medicine for 24 hours, and I haven't had a fever during that time.

I haven't thrown up or had any diarrhea for 24 hours.

Keep me at home if...

I have a temperature higher than 100 degrees even after taking medicine.

I'm throwing up or have diarrhea.

My eyes are pink and crusty.

Call the doctor if...

I have a temperature higher than 100 degrees for more than two days.

I've been throwing up or have diarrhea for more than two days.

I've had the sniffles for more than a week, and they aren't getting better.

I still have asthma symptoms after using my asthma medicine (and call 911 if I'm having trouble breathing after using an inhaler).
