

## Sunray Elementary Board Report

Stacie Jones

11/5/14

Math Family Game Night was a fun event for our families. We had about 50 students bring their parents and teach them how to play some of the math games that they are learning with their teachers.

Parent Conferences were held on October 28<sup>th</sup> and we had over 130 parents attend meetings with teachers.

We just wrapped up Red Ribbon Week and students had fun dressing up, wearing their ribbons, and supporting the fight against drugs. There was a door decorating contest and I was happy that I didn't have to be a judge, because they all did a great job showing off their creativity with anti-drug messages!

Our first CEIC meeting is scheduled for this afternoon at 3:45 in the library. We will be reviewing the campus improvement plan and making any necessary updates.

The Veteran's Day Program will be on Tuesday, November 11<sup>th</sup>. It will begin with a luncheon at 12:00 in the High School Gym, followed by the program in the Elementary/Middle School Gym at 1:15.

The UIL District Meet will take place on Friday, November 14<sup>th</sup> at Frank Phillips College in Borger.
