Topic:	November 5, 2024 Election Canvass from Clackamas County
Date:	December 18, 2024
Prepared By:	Tim Cook, President
Division/Department:	Executive Offices
Issue Before the Board:	Approve Resolution No. R24/25-11, Acceptance of the November 5, 2024 Election Canvass from Clackamas County Elections Office

**REASON FOR BOARD CONSIDERATION:**

The Clackamas County Elections office conducts elections for the Clackamas Community College (CCC) Board of Education. Once the elections are complete and Clackamas County Elections office have counted all the votes they send a canvass of the votes to the CCC Board of Education for review of accuracy and acceptance.

**BACKGROUND:**

In 2014, the Clackamas Community College District passed a vote and issued bonds to pay for capital improvements. Some of these bonds were set to expire in 2024. The District asked the voters for a renewal of the expiring bonds, which would keep the voters at their current tax rate, which is \$0.25 per \$1,000, for the next 21 years.

On November 5, 2024 Clackamas County Elections office conducted the General Election which included one ballot measure from Clackamas Community College on the ballot:

- Measure 3-613, General Obligation Bonds Not to Exceed \$120 Million  
Results: YES – 87,194 NO – 86,127

The results of that election were provided to Clackamas Community College on December 2, 2024. The CCC Board is now asked to review the election results and accept them as the official results.

**BUDGET IMPACT/SOURCE OF FUNDS:**

There is no cost to the College for this election.
