Re: 2023-2024 Milk Bid Approval

Based on the pricing and our current relationship, we recommend selecting Prairie Farms Milk Products as the milk provider for the 2023/2024 School year. Prairie Farms Milk Products and 2 other milk distributors sent us a bid that closed on August 11th, 2023. Red Wing Public Schools may renew the agreement with Prairie Farms Milk Products for up to 3 years. After this point a formal bid must be done to procure milk products. Renewals are done yearly.

Additional information may be found on the attached supporting documents.
