**BACKGROUND INFORMATION**

Changes to Student and Employee Handbooks, Code of Conduct and Emergency Operations Plans are minimal this year.

Change documents will be brief and reviewed at meeting time.

Hard copies will be available.

These documents are so large, uploads electronically would be challenging, and Board members have been working with hard copies almost exclusively this year.

**ADMINISTRATIVE RECOMMENDATION**

Approve Handbooks, Code of Conduct and Emergency Operations Plans for 2012-2013
