Rescheduled Jamboree-

Due to the weather four sites got weathered out of the Kokhanok Jamboree at the end of February we hosted a basketball event at Bristol Bay school for these students. It was a fun event where the students got to work with a professional personal basketball developer and focus on some individual skills. The students were also able to get in the pool and enjoy some swimming time. A couple sites did get weathered in so we swam and played more games. All the kids did a great job, had a lot of fun, and maintained positive attitudes.

5-Man Basketball

All 4 LPSD teams are competing this week at the regional tournament to see who will qualify for the state tournament. The girls will be hosted in Sand Point; the boys in Togiak. Good luck to all the teams.

SNAP meet:

The 2020 SNAP meet is coming together quickly. This year's theme is 'Preserving our past as we move into the future'. Students will get two days of instruction and will focus on the future by working with BBNC through their Jr. Achievements program. The second day will focus on the past by working with Alex Salmon through the culture grant.

2020 District 3-man Basketball Tournament @ Igiugig

I would like to thank the staff and community of Igiugig for taking on the tournament with very little notice. They all did a wonderful job hosting this event; below are the results and pictures from this event. We did have one school come a day late due to a soft runway, however we were able to get them here and playing in some games.
