

## MEMORANDUM

**TO:** Board of Trustees, Joint School District No. 331; Dr. Kenneth Cox; Michelle Deluna

**FROM:** Hawley Troxell Ennis & Hawley LLP

**DATE:** March 10, 2016

**RE:** Bond Refinancing Resolution for Adoption -- March 14, 2016 Meeting

---

### **Description/Delegation of Authority**

Prevailing low interest rates appear to be favorable for refinancing of the District's 2008 Bonds. Following this Memo is a **Resolution** and related legal documents. They authorize the District's officers to work with Zions Public Finance, Inc. as financial advisor, Hawley Troxell as bond counsel, an underwriter of the District's selection, and to proceed with the steps necessary to sell refunding bonds (the "Bonds"). The target date for sale of the Bonds is mid-April, subject to optimal market conditions.

The Resolution appoints Superintendent Cox and Business Manager/Treasurer Deluna as "delegated officers" to approve the sale of the Bonds, provided the sale can achieve a savings minimum set by the Board in the Resolution. The Resolution sets a floor for savings expressed as an amount that has a present value of not less than 4% of the amount of the bonds refinanced. See Section 209 of the Resolution. This delegation process was authorized by the Legislature effective July 1, 2014, and has been used by all school district boards since that time. This Resolution is the only action that will be needed by the Board to authorize the refinancing.

### **Board Action**

The Board Chair will read the resolution by title:

"A Resolution authorizing the issuance and sale of General Obligation Refunding Bonds, Series 2016 (Sales Tax Guaranty) of Joint School District No. 331 Minidoka, Cassia, Jerome and Lincoln Counties, State of Idaho, delegating authority to approve the terms and provisions of the Bonds, authorizing advertisement of negotiated sale of the Bonds, and providing for related matters."

The Board Chair can then ask for a **motion** to approve the Resolution, and a **second**, and then a **roll call vote**.

## ARTICLE II

### AUTHORIZATION, TERMS AND ISSUANCE OF BONDS, REFUNDING AND PAYING AGENT PROVISIONS

201. Authorization of Bonds, Principal Amount, Designation and Series. In accordance with and subject to the terms, conditions and limitations established by the Act and contained in this Resolution, a series of general obligation refunding bonds of the District is hereby authorized to be issued and shall be designated "General Obligation Refunding Bonds, Series 2016 (Sales Tax Guaranty)." The Bonds shall be issued in fully registered form only, without coupons.

202. Purposes. The Bonds are hereby authorized to be issued for the purpose of refunding the Refunded Bond and to pay the costs of issuing the Bonds.

203. Issue Date. The Bonds shall be dated as of the date of their delivery.

204. Accrual of Interest. Each Bond shall bear interest from the interest payment date next preceding the date of registration and authentication thereof unless it is registered and authenticated as of an interest payment date, in which event it shall bear interest from the date thereof, or unless it is registered and authenticated prior to the first interest payment date, in which event it shall bear interest from its date, or unless, as shown by the records of the Bond Registrar, interest on the Bonds shall be in default, in which event it shall bear interest from the date to which interest has been paid in full. The Bond Registrar shall insert the date of registration and authentication of each Bond in the place provided for such purpose in the form of Bond Registrar's certificate of authentication on each Bond. To the extent permitted by law, the Bonds shall bear interest on overdue principal at the respective rate of each maturity.

205. Denominations and Numbers. The Bonds shall be issued as fully registered bonds, without coupons, in the denomination of \$5,000, or any integral multiple thereof, not exceeding the amount of each maturity. The Bonds shall be numbered from one (1) upward in order of issuance with the prefix "R" preceding each number.

206. Paying Agent and Bond Registrar. Zions Bank, a division of ZB, National Association, Corporate Trust Department, Boise, Idaho, is hereby appointed the Paying Agent and Bond Registrar for the Bonds. The District may remove any Paying Agent and any Bond Registrar, and any successor thereto, and appoint a successor or successors thereto. Each Paying Agent and Bond Registrar shall signify its acceptance of the duties and obligations imposed upon it by the Resolution by executing and delivering to the District a written acceptance thereof. The principal of, premium, if any, and interest on the Bonds shall be payable in any coin or currency of the United States of America which, at the respective dates of payment thereof, is legal tender for the payment of public and private debts. Principal of and premium, if any, on the Bonds shall be payable when due to the Bondholder of each Bond at the principal corporate trust office of the Paying Agent. Payment of interest on each Bond shall be made by check or draft mailed to the Person who, as of the Record Date, is the Bondholder of the Bond, at the address of such

Bondholder as it appears on the registration books of the District kept by the Bond Registrar or at such other address as is furnished to the Bond Registrar in writing by such Bondholder on or prior to the Record Date.

207. Redemption. Upon the sale of the Bonds, the Bonds will be subject to redemption pursuant to the terms of sale thereof, as approved pursuant to the Bond Purchase Contract; and if subject to redemption, the following provisions shall apply:

If less than all of the Bonds of any maturity are to be redeemed, the particular Bonds or portion of the Bonds of such maturity to be redeemed shall be selected at random by the Bond Registrar in such manner as the Bond Registrar in its discretion may deem fair and appropriate. The portion of any registered Bond of a denomination of more than \$5,000 to be redeemed will be in the principal amount of \$5,000 or an integral multiple of \$5,000 and in selecting portions of such Bonds for redemption the Bond Registrar will treat each such Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000.

Notice of redemption of the Bonds, which notice may be conditional, shall be given by the Bond Registrar by Electronic Means or by first class mail, postage prepaid, not less than thirty (30) or more than sixty (60) days prior to the redemption date, to the Bondholder, as of the Record Date, of each Bond which is subject to redemption, at the address of such Bondholder as it appears in the registration books of the District kept by the Bond Registrar, or at such other address as is furnished to the Bond Registrar in writing by such Bondholder on or prior to the Record Date. Notice also shall be given to the fiscal agent of the District, if any, and to the Paying Agent, if other than the Bond Registrar. Each notice of redemption shall state the name and series of the Bonds, the redemption date, the place of redemption, the principal amount if less than all, the distinctive numbers of the Bonds or portions of Bonds to be redeemed, and also shall state that the interest on the Bonds in such notice designated for redemption shall cease to accrue from and after such redemption date and that, on said date, if the conditions to an optional redemption have been met, there will become due and payable on each of said Bonds the principal thereof, interest accrued thereon to the redemption date, and premium, if any. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Bondholder or other recipient receives such notice. Failure to mail such notice or any defect therein shall not affect the validity of the proceedings for redemption of the Bonds.

Each notice of redemption may further state, in the case of optional redemption, that such redemption shall be conditioned upon the receipt by the Paying Agent on or prior to the date fixed for such redemption of moneys sufficient to pay the principal of and interest on such Bonds to be redeemed and that, if such moneys shall not have been so received, said notice shall be of no force and effect and such Bonds shall not be required to be redeemed, and the Paying Agent shall within a reasonable time thereafter give notice, one time, in the same manner in which the notice of redemption was given, that such moneys were not so received.

When so called for redemption, unless a conditional notice has been given and the conditions for redemption set forth therein are not satisfied, such Bonds shall cease to accrue interest on the specified redemption date, provided funds for redemption are on deposit at the place of payment at that time, and such Bonds shall not be deemed to be outstanding as of such redemption date.

In addition to the foregoing notice, further notice shall be given by the Bond Registrar as set out below, but no defect in said further notice or any failure to give all or any portion of such further notice shall affect in any manner the validity of a call for redemption if notice thereof is given as above prescribed.

(a) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) the series and any other descriptive information needed to identify accurately the Bonds being redeemed.

(b) Each further notice of redemption shall be sent at least thirty (30) days before the redemption date by telecopy, registered or certified mail or overnight delivery service to all registered securities depositories then in the business of holding substantial amounts of obligations of types comprising the Bonds designated to the Bond Registrar by the District and to the Repository.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number or numbers identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(a) Pursuant to Section 57-235, Idaho Code, as amended, the Board hereby delegates to the Delegated Officers the power to make the following determinations on the date of sale of the Bonds, without any requirement that the members of the Board meet to approve such determinations, but subject to the limitations provided:

(1) The rates of interest to be borne by the Bonds, provided that the interest rates on the Bonds shall not exceed the rates that will achieve an aggregate dollar amount of savings in the debt service on the Refunded Bond, the present value of which, computed using as a present value factor the yield (as defined in the Regulations) on the Bonds, shall equal not less than four percent (4%) of the principal amount of the Refunded Bond.

(2) The principal amount of the Bonds, provided the par amount of the Bonds shall not exceed the par amount of the Refunded Bond.

The certificate of authentication of the Bond Registrar on any Bond shall be deemed to have been executed by it if (a) such Bond is signed by an authorized officer of the Bond Registrar, provided that it shall not be necessary that the same officer sign the certificate of authentication on all of the Bonds issued hereunder or that all of the Bonds hereunder be authenticated by the same Bond Registrar, and (b) the date of registration and authentication of the Bond is inserted in the place provided therefor on the certificate of authentication.

The Chairman or Vice Chairman and Clerk of the Board are authorized to execute, countersign and seal from time to time, in the manner described above, Bonds (the "Exchange Bonds") to be issued and delivered for the purpose of effecting transfers and exchanges of Bonds pursuant to ARTICLE III hereof. At the time of the execution, countersigning, and sealing of the Exchange Bonds by the District, the payee, principal amount, maturity and interest rate shall be in blank. Upon any transfer or exchange of Bonds pursuant to ARTICLE III hereof, the Bond Registrar shall cause to be inserted in appropriate Exchange Bonds the appropriate payee, principal amount, maturity and interest rate. The Bond Registrar is hereby authorized and directed to hold the Exchange Bonds and to complete, authenticate and deliver the Exchange Bonds for the purpose of effecting transfers and exchanges of Bonds; provided that any Exchange Bonds authenticated and delivered by the Bond Registrar shall bear the same series, maturity and interest rate as Bonds delivered to the Bond Registrar for exchange or transfer and shall bear the name of such payee as the Bondholder requesting an exchange or transfer shall designate; and provided further that, upon the delivery of any Exchange Bonds by the Bond Registrar a like principal amount of Bonds submitted for transfer or exchange and of like series and having like maturities and interest rates, shall be cancelled. The execution, countersigning and sealing by the District and delivery to the Bond Registrar of any Exchange Bond shall constitute full and due authorization of such Bond containing such payee, maturity and interest

rate as the Bond Registrar shall cause to be inserted, and the Bond Registrar shall be authorized to authenticate and deliver such Exchange Bond in accordance with the provisions hereof.

In case any officer whose signature or a facsimile of whose signature shall appear on any Bond (including any Exchange Bond) shall cease to be such officer before the issuance or delivery of such Bond, such signature or such facsimile nevertheless shall be valid and sufficient for all purposes, the same as if such officer had remained in office until such issuance or delivery, respectively.

For purposes of investment of funds in the Bond Account, the District may consider earnings on Tax Receipts in the Bond Account which are not expected to be used to pay principal and interest on the Bonds to be held for the purpose of paying principal and interest on other bonds issued or to be issued by the District or to be used for any lawful purpose of the District.

(c) There shall be deposited into and disbursed from the Escrow Fund the moneys referred to in Section 212(c) hereof.

In the event Defeasance Securities fund the Escrow Fund, to verify the sufficiency of the Escrow Fund, the District shall obtain a report of a certified public accounting firm experienced in such matters to be attached to each Escrow Agreement. Based upon the foregoing, the District expects that the Refunded Bond will be defeased upon deposit of such moneys and Defeasance Securities immediately following the delivery of the Bonds, such defeasance to be evidenced by a Written Certificate and Request of the District delivered at closing of the Bonds.

Pursuant to Section 57-504(6), Idaho Code, the Refunded Bond will thereupon be excluded from the District's indebtedness as limited by Section 33-1103, Idaho Code.

(c) After the Redemption Date, any moneys remaining in the Escrow Fund and not needed for refunding of the Refunded Bond shall be transferred to the District for deposit into the Bond Account in accordance with Idaho Code Section 33-1120.

215. 2008 Loan Agreement. Prior to the issuance of the Bonds, the District hereby authorizes the Chairman or Vice Chairman of the District to approve and execute (i) any amendment to the 2008 Loan Agreement between the District and the Idaho Bond Bank Authority in such form as required to confirm the District's obligations to pay Repayment Installments not relating to the Refunded Bond, (ii) any notice required under the 2008 Loan Agreement, or (iii) any other document under the 2008 Loan Agreement required to effect the defeasance and redemption of the Refunded Bond, pursuant to the Escrow Agreement or otherwise.

216. Costs of Issuance Account. There is hereby established in the hands of the Escrow Agent a separate account designated the "Costs of Issuance Account." At the time of the delivery of the Bonds, the District may deposit into the Costs of Issuance Account such amount of proceeds of the Bonds as shall be shown in a Written Certificate and Request filed with the Escrow Agent at the time of delivery of the Bonds. Any moneys remaining in the Costs of Issuance Account shall be transferred promptly by the Escrow Agent to the District for deposit into the Bond Account pursuant to Section 214 hereof.

217. Defeasance.

(a) If the District shall pay or cause to be paid, or there shall otherwise be paid, to the Bondholders the principal of or redemption price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, or such Bonds shall have been deemed to have been paid, then the levy of taxes provided in Section 501 hereof and other moneys, securities and funds pledged under this Resolution and all covenants, agreements and other obligations of the District to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied.

(b) Bonds or interest installments the payment or redemption of which moneys shall have been set aside and shall be held in trust (through deposit by the District of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this section. All outstanding Bonds shall prior to the maturity thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this section if:

(2) there shall have been deposited in escrow with a bank, trust company or suitable depository (the "Defeasance Agent") either (a) moneys in an amount which shall be sufficient, or (b) Defeasance Securities (defined below) (including any Defeasance Securities issued or held in book-entry form on the books of the Department of the Treasury of the United States of America) the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Defeasance Agent at the same time, shall be sufficient, to pay when due the principal or redemption price, as applicable, and interest due and to become due, if applicable, on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, without adversely affecting the tax-exempt status of the interest on said Bonds taxable under the Code, as applicable. In the case of a deposit under clause (b) above and the Bonds are not by their terms subject to redemption within ninety (90) days after such deposit, there will be provided to the District and Defeasance Agent a report of an independent firm of nationally recognized certified public accountants verifying the sufficiency of the monies and Defeasance Securities to pay when due the principal or redemption price, as applicable, and interest due and to become due on such Bonds on or prior to the redemption date or maturity date thereof; and

(3) there shall have been delivered an opinion of nationally recognized municipal bond counsel addressed to the District and the Defeasance Agent to the effect that the subject Bonds are no longer outstanding, and are duly paid and defeased; and

(4) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days, the District shall have given irrevocable instructions to mail, first class postage prepaid, a notice to the Bondholders that the deposit required by (2) above has been made with the Defeasance Agent and that said Bonds are deemed to have been paid in accordance with this section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or redemption price as applicable, and interest due or to become due, if applicable, on said Bonds.

(c) Neither Defeasance Securities nor moneys deposited with the Defeasance Agent pursuant to this section nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or redemption price, if applicable, and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Securities deposited with the Defeasance Agent, if not then needed for such purpose, shall, to the extent practicable, be reinvested in Defeasance Securities maturing at times and in amounts sufficient to pay when due the principal or redemption price, as applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest

earned from such reinvestments shall be paid over to the District, free and clear of any trust, lien or pledge. For the purposes of this section, "Defeasance Securities" shall include the following:

(b) In accordance with the requirements of the Bond Guaranty Program, the District shall transfer moneys from the Bond Account sufficient for the scheduled debt service payment on the Bonds to the Paying Agent at least fifteen (15) days before each principal or interest payment date for the Bonds, and if the District is unable to transfer the scheduled debt service payment to the Paying Agent fifteen (15) days before the payment date, the District shall immediately notify the Paying Agent and the Idaho State Treasurer.

(c) The District will use its best effort to cause the Paying Agent to comply with the requirements imposed on the Paying Agent by the Bond Guaranty Program, including requiring in any paying agent agreement that the Paying Agent notify the Idaho State Treasurer in writing at least ten (10) days before the scheduled debt service payment date in the event the District has not transferred sufficient funds as required in (b) above.

##### 301. Transfer of Bonds.

(a) Any Bond may, in accordance with its terms, be transferred upon the registration books kept by the Bond Registrar pursuant to Section 303 hereof by the Person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Bond for cancellation accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Bond Registrar. No transfer shall be effective until entered on the registration books kept by the Bond Registrar. The District, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the Bondholder and absolute owner thereof for the purpose of receiving payment of, or on account of, the principal or redemption price thereof and interest due thereon and for all other purposes whatsoever.

(b) Whenever any Bond or Bonds shall be surrendered for transfer, the Bond Registrar shall authenticate and deliver a new fully registered Bond or Bonds in an authorized denomination (which may be an Exchange Bond or Bonds pursuant to Section 210 hereof) of the same series, designation, maturity and interest rate duly executed by the District for a like aggregate principal amount. The Bond Registrar shall require the payment by the Bondholder requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer. With respect to each Bond, no such transfer shall be required to be made (i) after the Record Date with respect to any interest payment date to and including such interest payment date or (ii) after the Record Date with respect to any redemption of such Bond. If Exchange Bonds are prepared in connection with transfers outside the book-entry registration system as provided in Section 401, the foregoing provisions of this Section 301 shall apply to such transfers or exchanges. Then and thereafter, Exchange Bonds shall be in the denomination

of \$5,000 only, and shall bear numbers as provided in Section 205 hereof. All Bonds issued after the first numbering of Bonds in \$5,000 denominations pursuant to Section 205 shall thereafter continue to bear the same number, which shall be used on all newly issued Bonds issued for purposes of all subsequent transfers and exchanges.

(c) The Bond Registrar shall not be required to register the transfer or exchange of any Bond selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. Upon surrender of any Bond redeemed in part, the District shall execute and the Bond Registrar shall authenticate and deliver to the Bondholder, at the expense of the District, a new Bond or Bonds (which may be an Exchange Bond or Bonds pursuant to Section 210 hereof) of the same series, designation, maturity and interest rate and of authorized denominations equal in aggregate principal amount to the unredeemed portion of the Bond surrendered.

302. Exchange of Bonds. Bonds may be exchanged at the principal corporate trust office of the Bond Registrar for a like aggregate principal amount of fully registered Bonds (which may be an Exchange Bond or Bonds pursuant to Section 210 hereof) of the same series, designation, maturity and interest rate of other authorized denominations. The Bond Registrar shall require the payment by the Bondholder requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange. With respect to each Bond, no such exchange shall be required to be made (i) after the Record Date with respect to any interest payment date to and including such interest payment date or (ii) after the Record Date with respect to any redemption of such Bond, if applicable.

303. Bond Registration Books. This Resolution shall constitute a system of registration within the meaning and for all purposes of the Registered Public Obligations Act of Idaho, chapter 9 of Title 57, Idaho Code. The Bond Registrar shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Bonds, which shall at all times be open to inspection by the District; and, upon presentation for such purpose, the Bond Registrar, under such reasonable regulations as it may prescribe, shall register or transfer or cause to be registered or transferred on said books Bonds as herein provided.

If requested by the Bond Registrar, the Chairman or Vice Chairman and Clerk of the Board are authorized to execute the Bond Registrar's standard form of agreement between the District and the Bond Registrar with respect to the compensation, obligations and duties of the Bond Registrar hereunder which may include the following:

(a) to act as bond registrar, authenticating agent, paying agent, and transfer agent as provided herein;

- (b) to maintain a list of Bondholders as set forth herein and to furnish such list to the District upon request but otherwise to keep such list confidential;
- (c) to give notice of redemption of Bonds as provided herein;

- (g) to comply with all applicable provisions of the Representations Letter, as called for in Section 402 hereof.

#### ARTICLE IV

##### BOOK-ENTRY SYSTEM; LIMITED OBLIGATION OF DISTRICT; REPRESENTATIONS LETTER

401. Book-Entry Systems, Limited Obligation. The Bonds shall be initially issued in the form of a separate single certificated fully registered Bond for each of the maturities approved upon the sale thereof. Upon initial issuance, the ownership of each Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC. Except as provided in Section 403 hereof, all of the outstanding Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC.

With respect to Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC, the District, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any Participant or to any Person on behalf of which a Participant holds an interest in the Bonds with respect to (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Participant or any other Person, other than a Bondholder, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any Participant or any other Person, other than a Bondholder, as shown in the registration books kept by the Bond Registrar, of any amount with respect to principal of or interest on the Bonds. The District, the Bond Registrar and the Paying Agent may treat and consider the Person in whose name each Bond is registered in the registration books kept by the Bond Registrar as the Bondholder and absolute owner of such Bond for the purpose of payment of principal and interest with respect to such Bond, for the purpose of registering transfers with respect to such Bond, and for all other purposes whatsoever.

The Paying Agent shall pay all principal of and interest on the Bonds only to or upon the order of the respective Bondholders, as shown in the registration books kept by the Bond Registrar, or their respective attorneys duly authorized in writing, as provided in Section 206 hereof, and all such payments shall be valid and effective to satisfy and discharge fully the District's obligations with respect to payment of principal of and interest on the Bonds, to the extent of the sum or sums so paid. No Person other than a Bondholder, as shown in the registration books kept by the Bond Registrar, shall receive a certificated Bond evidencing the obligation of the District to make payments of principal and interest pursuant to this Resolution. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co. and subject to the provisions herein with respect to Record Dates, the word "Cede & Co." in this Resolution shall refer to such new nominee of DTC, and, upon receipt of such a notice, the District promptly shall deliver a copy of the same to the Bond Registrar and the Paying Agent.

402. Representations Letter. In the written acceptance of each Paying Agent and Bond Registrar referred to in Section 206 hereof, such Paying Agent and Bond Registrar, respectively, shall agree to take all action necessary for all representations of the District in the Representations Letter on file with DTC with respect to the Paying Agent and Bond Registrar, respectively, to be complied with at all times. The District's Representations Letter is for the purpose of effectuating the book-entry-only system and shall not be deemed to amend, supersede or supplement the terms of this Resolution, which terms are intended to be complete without reference to the Representations Letter.

In the event of any conflict between the terms of the Representations Letter and the terms of this Resolution, the terms of this Resolution shall control. DTC may exercise the rights of a Bondholder hereunder only in accordance with the terms hereof applicable to the exercise of such rights.

403. Transfers Outside Book-Entry System. In the event that (a) the District determines that DTC is incapable of discharging or is unwilling to discharge its responsibilities described herein and in the Representations Letter, (b) DTC determines to discontinue providing its service as securities depository with respect to the Bonds at any time as provided in the Representations Letter or (c) the District determines that it is in the best interests of the Bondholders, as the beneficial owners of the Bonds, that they be able to obtain certificated Bonds and an alternative book-entry system is not available or is not selected as provided in the succeeding sentence, the District shall notify DTC and direct DTC to notify the Participants of the availability through DTC of Bond certificates, and the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC. At that time, the District may determine that the Bonds shall be registered in the name of and deposited with such other depository operating a universal book-entry system as may be acceptable to the District or such depository's agent or designee, and, if the District does not select such alternate universal book-entry system, the Bonds shall no longer be restricted to being registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names Bondholders

transferring or exchanging Bonds shall designate, in accordance with the provisions of ARTICLE III hereof.

404. Payments to Cede & Co.. Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, in the manner provided in the Representations Letter.

## ARTICLE V

### COVENANTS AND UNDERTAKINGS

501. Levy of Taxes. The District covenants and agrees that to pay principal of and interest on the Bonds falling due to and including the final maturity thereof, the District shall levy taxes and cause taxes to be levied by the County Commissioners of Minidoka, Cassia, Jerome, and Lincoln Counties, Idaho, annually at the time when and in the manner in which other general taxes of the District are levied, upon all the taxable property within the limits of the District, in addition to all other authorized taxes and assessments in the amount specified by Idaho Code Sections 33-802 and 33-802A, together with funds then on deposit in the Bond Account, and sufficient to meet the payments of principal and interest on the Bonds as the same mature (collectively, the "Tax Receipts"), and such Tax Receipts shall be levied, assessed, certified, extended and collected by their proper officers at the times, other taxes are levied, assessed, certified, extended and collected in, for and by the District and by the officers thereof, all as fixed by law, until the principal and interest of the Bonds and interest thereon shall be fully paid.

Principal of or interest on the Bonds falling due at any time when the Tax Receipts may not be available shall be paid from other funds of the District and shall be reimbursed from the Tax Receipts when said taxes shall have been collected. When collected, the Tax Receipts shall be placed into the Bond Account and shall be used for no other purpose than for the payment of the principal of and the interest on the Bonds as the same become due, so long as any of the Bonds remain outstanding and unpaid, but nothing herein contained shall be construed to prevent the District from paying the interest on or the principal of the Bonds from any other funds in its hands and available for that purpose or to prevent the District from levying any further or additional taxes which may be necessary to pay fully the interest on or the principal of the Bonds.

The full faith and credit and all taxable property in the District, together with the Tax Receipt, are hereby pledged for the prompt payment of the principal of and the interest on the Bonds as the same become due, and, to that end, the tax levies herein provided shall be in full force and effect and remain so forever until the indebtedness hereby incurred, principal and interest, shall have been fully paid, satisfied and discharged, except as hereinbefore provided.

Any collection fees or charges made in connection with the payment of the Bonds and interest thereon are to be paid by the District.

502. Tax Receipts to Constitute Special Revenues. The Tax Receipts and all moneys deposited into the Bond Account shall constitute taxes specifically levied to finance one or more projects or systems as defined in 11 U.S.C. § 902(2)(E). As set forth in Section 501 hereof and as provided in Idaho Code Section 33-802, the Tax Receipts can be used for no other purpose than payment of principal and interest on the Bonds and therefore do not constitute taxes levied to finance the general purposes of the District within the meaning of 11 U.S.C. § 901(2)(E). The District further covenants to credit all Tax Receipts to the Bond Account separate and apart from the funds for the payment of principal or interest on any other series of bonds, and separate and apart from any other funds of the District.

503. Bonds in Registered Form. The District recognizes that Section 149(a) of the Code requires the Bonds to be issued and to remain in fully registered form in order that interest thereon is excluded from gross income for purposes of federal income taxation under laws in force at the time the Bonds are delivered. In connection therewith, the District agrees that it will not take any action to permit the Bonds to be issued in or converted into bearer or coupon form.

504. Arbitrage Covenant; Covenant to Maintain Tax Exemption.

(a) The Chairman, Vice Chairman and Business Manager of the District each are hereby authorized and directed to execute from time to time such Tax Certificates as shall be necessary to establish that the Bonds are not "arbitrage bonds" within the meaning of Section 148 of the Code and the Regulations promulgated or proposed thereunder, as the same presently exist or may from time to time hereafter be amended, supplemented or revised, and to establish that interest on the Bonds is not and will not become includable in gross income under the Code and applicable Regulations. The District covenants and certifies to and for the benefit of the Bondholders that no use will be made of the proceeds of the issue and sale of the Bonds, or any funds or accounts of the District which may be deemed to be proceeds of the Bonds, pursuant to Section 148 of the Code and applicable Regulations (proposed or promulgated,) which use, if it had been reasonably expected on the date of issuance of the Bonds, would have caused the Bonds to be classified as "arbitrage bonds" within the meaning of Section 148 of the Code. Pursuant to this covenant, the District obligates itself to comply throughout the term of the Bonds with the requirements of Section 148 of the Code and the Regulations proposed or promulgated thereunder.

(b) The District further covenants and agrees to and for the benefit of the Bondholders that the District (i) will not take any action that would cause interest on the Bonds to be or to become ineligible for the exclusion from gross income of the Bondholders as provided in Section 103 of the Code, (ii) will not omit to take or cause to be taken, in timely manner, any action which would cause interest on the Bonds to be or to become ineligible for the exclusion from gross income of the Bondholders as provided in Section 103 of the Code, and (iii) without limiting the generality of the foregoing, (a) will not take any action which would cause the Bonds, or any Bond, to be a "private activity bond" within the meaning of Section 141 of the

Code or to fail to meet any applicable requirement of Section 149 of the Code and (b) will not omit to take or cause to be taken, in a timely manner, an action which would cause the Bonds, or any Bond, to be a "private activity bond" or to fail to meet any applicable requirement of Section 149 of the Code. The Chairman, Vice Chairman, or Business Manager of the District each are hereby authorized and directed to execute from time to time such Tax Certificates as shall be necessary to establish that the Bonds are not and will not become "private activity bonds," that all applicable requirements of Section 149 of the Code are and will be met, and that the covenant of the District contained in this Section 504(b) will be complied with.

(c) The District covenants and certifies to and for the benefit of the Bondholders of the Bonds that: (i) the District will at all times comply with the provisions of any Tax Certificates; (ii) the District will at all times comply with the rebate requirements contained in Section 148(f) of the Code, to the extent applicable; and (iii) no bonds or other evidences of indebtedness of the District have been or will be issued, sold or delivered within a period beginning 15 days prior to the sale of the Bonds and ending 15 days following the date of delivery of and payment for the Bonds.

(d) The Tax Certificate, in form acceptable to Bond Counsel, with such insertions and changes therein as shall be approved by the Chairman or Vice Chairman of the Board and the Business Manager of the District or their duly authorized deputies, is hereby authorized and approved. Such approval shall be conclusively established by their execution of the Tax Certificate in its final form.

The District hereby covenants to adopt, make, execute and enter into (and to take such actions, if any, as may be necessary to enable it to do so) any resolution or Tax Certificate necessary to comply with any changes in law or Regulations in order to preserve the exclusion of interest on the Bonds from gross income of the Bondholders thereof for purposes of the federal income tax to the extent that it may lawfully do so. The District further covenants to (a) impose such limitations on the investment or use of moneys or investment related to the Bonds, (b) make such payments to the United States Treasury, (c) maintain such records, (d) perform such calculations and (e) perform such other acts as may be necessary to preserve the exclusion of interest on the Bonds from gross income of the Bondholders thereof for purposes of the federal income tax and which it lawfully may do.

Pursuant to these covenants, the District obligates itself to comply with the requirements of Section 103 of the Code and the Regulations proposed or promulgated thereunder throughout the term of the issue of the Bonds.

505. Investment of Funds. Moneys held in any fund or account, including the Bond Account and subaccounts thereunder, shall be invested and reinvested by the District or, if held in accounts by the Paying Agent, by the Paying Agent at the written direction of the District, as applicable, to the fullest extent practicable in Investment Securities which mature not later than such times as shall be necessary to provide moneys when needed for payments to be made from such fund or account. Except as otherwise provided in this Resolution, all investment earnings

shall be deposited into the fund or account that holds the investment generating such investment earnings.

Principal of and premium, if any, on this Bond shall be payable at Zions Bank, a division of ZB, National Association, Corporate Trust Department, Boise, Idaho, the Paying Agent of the District, in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts; and payment of the semiannual interest hereon shall be made to the registered owner hereof and shall be paid by check or draft mailed to the person who is the registered owner of record on the first day of the month of each interest payment date, and if not a business day of the Paying Agent, the next preceding day that is a business day for the Paying Agent, at the address of such registered owner as it appears on the registration books kept by the hereinafter defined Bond Registrar or at such other address as is furnished in writing by such registered owner to the Bond Registrar, as provided in the hereinafter defined Resolution.

This Bond and the issue of Bonds of which it is a part are issued in conformity with and after full compliance with the Constitution of the State of Idaho and pursuant to the provisions of the Constitution of the State of Idaho and pursuant to the provisions of chapter 11 of Title 33 and chapters 2, 5 and 9 of Title 57, Idaho Code, and all acts of the Legislature of the State of Idaho amendatory thereof and supplementary thereto (collectively, the "Act"), and all other laws applicable thereto. It is hereby expressly certified and recited that all acts and conditions requisite and precedent to the validity of this issue have been properly done and performed in regular and due time, form and manner, as required by law; that the total outstanding indebtedness of the District, including the whole of this issue, does not exceed any constitutional or statutory debt limit; that the full faith and credit of the District is hereby pledged for the due and punctual payment of the principal hereof and interest hereon; and that provision has been made in the statutory manner for the levy and collection of taxes sufficient to pay the interest on this Bond as the same becomes due and for the payment of the principal hereof at the date of the maturity of this Bond. Said taxes constitute taxes specifically levied to finance one or more projects or systems as defined in 11 U.S.C. § 902(2)(E).

This Bond shall not be valid until the Certificate of Authentication hereon shall have been manually signed by the Bond Registrar.

This Bond is one of the General Obligation Refunding Bonds, Series 2016 (Sales Tax Guaranty), of the District (the "Bonds") limited to the aggregate principal amount of

[\$ \_\_\_\_\_], dated as of the Dated Date and issued in conformity with and after full compliance with the Act, and under and pursuant to a Resolution of the District adopted on March 14, 2016 (the "Bond Resolution"), for the purpose of providing funds to refund certain outstanding bonds of the District.

Zions Bank, a division of ZB, National Association Corporate Trust Department, Boise, Idaho, is the initial bond registrar and paying agent of the District with respect to the Bonds. Said bond registrar and paying agent, together with any successor bond registrar or paying agent, respectively, is referred to herein as the "Bond Registrar" and the "Paying Agent."

\*\*The Bonds are initially issued in the form of a separate single certificated fully registered Bond for each maturity, and registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC").\*\*

\*\*Unless this Bond is presented by an authorized representative of DTC to the District or its agent for registration of transfer, exchange, or payment, and any certificate issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the registered owner hereof, Cede & Co., has an interest herein.\*\*

[This Bond is transferable, as provided in the Bond Resolution, only upon the books of the District kept for that purpose at the principal corporate trust office of the Bond Registrar, by the registered owner hereof in person or by his attorney duly authorized in writing, upon surrender hereof together with a written instrument of transfer satisfactory to the Bond Registrar, duly executed by the registered owner or such duly authorized attorney, and, thereupon, the District shall issue in the name of the transferee a new registered Bond or Bonds of authorized denominations of the same aggregate principal amount, series, designation, maturity and interest rate as the surrendered Bond, all as provided in the Bond Resolution, upon the payment of the charges therein prescribed. No transfer of this Bond shall be effective until entered on the registration books kept by the Bond Registrar. The District, the Bond Registrar and the Paying Agent may treat and consider the person in whose name this Bond is registered on the registration books kept by the Bond Registrar as the holder and absolute owner hereof for the purpose of receiving payment of, or on account of, the principal or redemption price hereof and interest due hereon and for all other purposes whatsoever, and neither the District, the Bond Registrar, nor the Paying Agent shall be affected by any notice to the contrary.]

[The Bonds are issuable solely in the form of registered Bonds without coupons in the denomination of \$5,000, or any integral multiple of \$5,000.]

[The Bonds are not subject to call and redemption prior to maturity.]

[The Bonds maturing on or before \_\_\_\_\_, 20\_\_, are not subject to call and redemption prior to maturity.]

[The Bonds maturing on \_\_\_\_\_, 20\_\_ through \_\_\_\_\_, 20\_\_, are subject to redemption at the election of the District on \_\_\_\_\_, 20\_\_, and on any payment date thereafter prior to maturity, in whole or in part, in accordance with the optional arrangements then in effect with DTC, at the price of 100% of the principal amount of the Bonds to be redeemed plus accrued interest, if any, to the date of redemption.]

[Notice of redemption shall be given by the Bond Registrar by telecopy, facsimile, e-mail or other electronic means, or by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date, to the registered owner of each Bond which is subject to redemption, at the address of such registered owner as it appears on the registration books kept by the Bond Registrar or at such other address as is furnished in writing by such registered owner to the Bond Registrar. Notice also shall be given to the fiscal agent of the District, if any, and to the Paying Agent, if other than the Bond Registrar, all as provided in the Bond Resolution.]

[If notice of redemption, which notice maybe conditional, shall have been given as aforesaid, the Bonds or portions thereof specified in said notice shall become due and payable at the applicable redemption price on the redemption date therein designated, and if, on the redemption date, moneys for the payment of the redemption price of all the Bonds to be redeemed, together with interest to the redemption date, shall be available for such payment on said date, then from and after the redemption date, interest on such Bonds shall cease to accrue and become payable.]

[In addition to the foregoing notice, further notice shall be given by the Bond Registrar as provided in the Bond Resolution, but no defect in such further notice nor any failure to give all or any portion of such further notices shall in any manner affect the validity of a call for redemption if notice thereof is given as above described.]

[Less than all of a Bond in a denomination in excess of \$5,000 may be so redeemed, and in such case, upon the surrender of such Bond, there shall be issued to the registered owner thereof, without charge therefor, for the unredeemed balance of the principal amount of such Bond, at the option of such owner, registered Bonds of any of the authorized denominations, all as more fully set forth in the Bond Resolution. In selecting portions of any registered Bond which is of a denomination of more than \$5,000 for redemption, the Bond Registrar will treat each such Bond as representing that number of Bonds of \$5,000 denomination which is obtained by dividing the principal amount of such Bond by \$5,000.]

[Payment of the principal of and interest on the Bonds when due is guaranteed by the sales tax collected by the State of Idaho under the provisions of the Idaho School Bond Guaranty Act, Title 33, chapter 53, Idaho Code (the "Bond Guaranty Program"). The State of Idaho pledges to and agrees with the holders of the Bonds that the State will not alter, impair, or limit the rights vested by the Bond Guaranty Program with respect to the Bonds until the Bonds, together with interest, are fully paid and discharged.]

Except as otherwise provided herein and unless the context clearly indicates otherwise, words and phrases used herein shall have the same meanings as such words and phrases in the Bond Resolution.

**FORM OF ESCROW AGREEMENT**

## ESCROW AGREEMENT

THIS ESCROW AGREEMENT (the “**Agreement**”) is made and entered into as of the \_\_\_<sup>th</sup> day of \_\_\_\_\_, 2016, by and among the Idaho Bond Bank Authority (the “**Authority**” or “**IBBA**”), Zions Bank, a division of ZB, National Association, Seattle, Washington (the “**Escrow Agent**”), and Joint School District No. 331, Minidoka, Cassia, Jerome and Lincoln Counties, State of Idaho (the “**Municipality**”). The parties agree as follows:

### 1. Provisions for Defeasance of 2008 Municipal Bond and 2008E IBBA Bonds

1.1 Under the Loan Agreement dated November 1, 2008 (the “**2008 Loan Agreement**”), between the Municipality and the Authority, the Municipality is obligated to make repayment installments (the “**Repayment Installments**”) as evidenced by the Municipality’s General Obligation Bond, Series 2008, issued to the Authority in the principal amount of \$4,400,000 (the “**2008 Municipal Bond**”). Section 8.1(c) of the 2008 Loan Agreement permits the Municipality to provide for the defeasance of some or all of the Repayment Installments.

1.2 The Municipality has adopted its Resolution dated March 14, 2016 (the “**2016 Bond Resolution**”) authorizing the issuance of its General Obligation Refunding Bonds, Series 2016 (the “**2016 Bonds**”). The 2016 Bond Resolution provides that a portion of the proceeds from the sale of the 2016 Bonds shall be deposited with the Escrow Agent in trust in accordance with the provisions of this Agreement and Section 8.1(c) of the 2008 Loan Agreement to defease the Repayment Installments described in Exhibit A-1 attached hereto, including interest thereon to the optional prepayment date thereof (collectively, the “**Refunded Repayment Installments**”).

1.3 Upon the defeasance of the Refunded Repayment Installments, the schedule of Repayment Installments set forth in Exhibit A-2 attached hereto shall represent the non-defeased Repayment Installments, with a final maturity of September 15, 2018, payable by the Municipality in accordance with the 2008 Loan Agreement and the 2008 Municipal Bond.

1.4 Simultaneously with the issuance of the Municipality’s 2008 Municipal Bond to the Authority, the Authority issued its Revenue Bonds, Series 2008E (the “**2008E IBBA Bonds**”) pursuant to the terms and conditions of the Master Trust Agreement dated December 1, 2004, between the Authority and Zions Bank, a division of ZB, National Association, Seattle, Washington as successor trustee, as amended and supplemented (collectively, the “**Trust Agreement**”). A portion of the proceeds of the 2008E IBBA Bonds were used by the Authority to purchase the 2008 Municipal Bond pursuant to the 2008 Loan Agreement. Upon defeasance of the Refunded Repayment Installments, the corresponding debt service on the related 2008E IBBA Bonds shall be defeased in the principal amounts and maturities described in Exhibit B attached hereto (the “**Refunded IBBA Bonds**”). It is understood that the outstanding Authority’s 2008E IBBA Bonds maturing September 15, 2016 through September 15, 2018, inclusive, are not being defeased and refunded under this Agreement.

## 2. Escrow for Defeasance and Refunding

2.1 To accomplish the defeasance of the Refunded Repayment Installments and the Refunded IBBA Bonds, the Authority hereby agrees that, simultaneously with the issuance and delivery of the Municipality's 2016 Bonds, the Municipality will cause proceeds of the 2016 Bonds in the amount of \$\_\_\_\_\_ (the "Bond Proceeds"), [including the \$\_\_\_\_\_ good-faith deposit previously received by the Escrow Agent on the date of sale of the 2016 Bonds, together with \$\_\_\_\_\_ from the debt service fund for the 2008 Municipal Bond (the "District Funds")] to be wire transferred to the Escrow Agent to be used as provided in this Section 2.1 and Section 4 hereof. The Escrow Agent shall use the Bond Proceeds to purchase state and local government series securities (SLGs) in the amount of \$\_\_\_\_\_, as described in **Exhibit C** hereto (the "**Defeasance Securities**"), and shall irrevocably deposit the Defeasance Securities, together with cash in the amount of \$\_\_\_\_\_, in trust for the security and benefit of the Authority and the owners of the Refunded IBBA Bonds, in a trust account separate and apart from all other cash and investment securities held by the Escrow Agent (the "**Escrow Fund**"). The Escrow Agent agrees that it will hold earnings on any investment securities held hereunder to pay the Refunded Repayment Installments when due, and thereby provide for payment of the principal and interest due on the Refunded IBBA Bonds when due. The Escrow Agent agrees that any cash balance held under the terms of this Agreement shall remain uninvested. The Escrow Agent further agrees that the cash and Defeasance Securities deposited hereunder shall be used to defease and redeem the Refunded Repayment Installments and the related Refunded IBBA Bonds. The Authority hereby irrevocably instructs the Escrow Agent to redeem the Refunded IBBA Bonds on September 15, 2018 (the "**Redemption Date**") at a price of par plus accrued interest to the Redemption Date. The call for redemption of the Refunded IBBA Bonds shall be irrevocable upon the delivery of the notice of redemption to the holders thereof. The Escrow Agent, at the expense of the Authority (which expense shall be paid by the Municipality), shall provide for mailing of the proper notices of such redemption and prepayment in accordance with the authorizing resolution of the 2008E IBBA Bonds (the "**IBBA Bond Resolution**") (see **Exhibit D** for form of notice).

2.2 In addition, the Authority hereby instructs the Escrow Agent to provide to the holders of the Refunded IBBA Bonds notice of the defeasance of the Refunded IBBA Bonds (see **Exhibit E** for form of notice).

2.3 Upon the maturity of any such Defeasance Securities, the Escrow Agent shall hold such funds uninvested and without liability for interest until receipt of further written instructions from the Authority. In the absence of investment instructions from the Authority, the Escrow Agent shall not be responsible for the investment of such funds or interest thereon. The Escrow Agent may conclusively rely upon the Authority's selection of an alternative investment as a determination of the alternative investment's legality and suitability and shall not be liable for any losses related to the alternative investments or for compliance with any yield restriction applicable thereto.

3. Payment of Principal, Interest, and Redemption Price on Refunded IBBA Bonds

The Escrow Agent shall use the District Funds to pay interest due on the Refunded Repayment Installments and related Refunded IBBA Bonds on September 15, 2016, and thereafter shall present for payment on the due dates thereof Defeasance Securities deposited with it and shall apply the proceeds derived therefrom and the interest paid thereon, and any cash held by it hereunder, in accordance with the provisions of the IBBA Bond Resolution, the Trust Agreement, and this Agreement, and in accordance with the Verification Report attached as **Exhibit F** hereto (the “**Verification Report**”). Moneys shall, in a timely manner, be transferred by the Escrow Agent, in its capacity as paying agent for the Refunded IBBA Bonds, for payment to the owners thereof in amounts sufficient to pay interest when due thereon to and including the Redemption Date. On or before the Redemption Date, the Escrow Agent, in its capacity as paying agent for the Refunded IBBA Bonds, shall present for payment on the due dates thereof the Defeasance Securities and shall apply the proceeds derived therefrom to redeem and retire the Refunded IBBA Bonds on the Redemption Date, at the price equal to the par amount thereof, together with interest accrued thereon from the preceding interest payment date in accordance with the Verification Report.

4. Payment of Costs of Issuance of 2016 Bonds

The Municipality represents and warrants to the Escrow Agent that the Municipality has established under the 2016 Bond Resolution an account for the Municipality designated the “Costs of Issuance Account” to be held by the Escrow Agent. Upon delivery of the 2016 Bonds, there shall be deposited therein bond proceeds pursuant to Section 2.1 in the amount of \$\_\_\_\_\_ to pay the costs of issuing the 2016 Bonds up to that amount. As directed in a Written Certificate and Request by the Municipality, the Escrow Agent shall disburse monies from the Costs of Issuance Account upon receipt of invoices for payment. Pending payment of all costs of issuance and receipt of a valid IRS Form W-9 for each payee, the monies held in the Costs of Issuance Account shall be invested by the Escrow Agent in investments as shall be directed in writing by the Municipality, which shall be investments permitted under Section 67-1210, Idaho Code, or held uninvested if the Municipality does not provide written direction to invest, with any interest received on such investments to remain in the Costs of Issuance Account. After payment of costs of issuance or no later than forty-five (45) days after issuance of the 2016 Bonds, any excess monies remaining in the Costs of Issuance Account shall be transferred promptly by the Escrow Agent to the Municipality for deposit into the Bond Account under the 2016 Bond Resolution.

5. Reports and Notice of Insufficiency

The Escrow Agent shall, within ten (10) days after the final redemption of the Refunded IBBA Bonds, render a statement to the Authority setting forth the interest earned on the Defeasance Securities, a list of any investments or reinvestments made by the Escrow Agent in other such obligations and the interest and/or principal derived therefrom, the sums paid to the paying agent, and any other transactions of the Escrow Agent pertaining to its duties and obligations as set forth herein. In the event the maturing principal of and interest on the

Defeasance Securities and other money held by the Escrow Agent pursuant to this Escrow Agreement shall be insufficient to make a payment described in Section 3, the Escrow Agent shall, to the extent it has actual knowledge thereof, give the Authority and the Municipality prompt notice of such insufficiency; in no event shall the Escrow Agent be responsible for any such insufficiency.

6. Custody and Safekeeping of Obligations

All Defeasance Securities, moneys and investment income deposited with or received by the Escrow Agent pursuant to this Agreement shall be subject to the trust created by this Agreement, and the Escrow Agent shall be liable for the preservation and safekeeping thereof; provided, however, it shall not be responsible for any depreciation in value of any of the Defeasance Securities.

7. Amendment of Agreement

This Agreement is made for the benefit of the Authority and the holders from time to time of the Refunded IBBA Bonds and it shall not be altered or amended without the written consent of all such holders, the Escrow Agent and the Authority; provided, however, that the Authority and the Escrow Agent may, without the consent of, or notice to, such holders enter into such agreements supplemental to this Agreement which shall not materially adversely affect the rights of such holders (as evidenced by an opinion of counsel delivered to the Escrow Agent) and as shall not be inconsistent with the terms and provisions of this Agreement, for any one or more of the following purposes:

(a) to cure any ambiguity, inconsistency or formal defect or omission in this Agreement;

(b) to grant to, or confer upon, the Escrow Agent for the benefit of the holders of the Refunded IBBA Bonds, any additional rights, remedies, powers or authority that may lawfully be granted to, or conferred upon, such holders or the Escrow Agent;

(c) to provide for the deposit of additional cash or securities with the Escrow Agent;

(d) to designate a new Escrow Agent in the event of the failure or inability of the Escrow Agent to perform its duties hereunder; and

(e) to comply with any applicable tax laws or state laws.

8. Substitution of Different Defeasance Securities or Other Investments

The Authority reserves the right to substitute from time to time for the Defeasance Securities initially purchased in accordance with Section 2.1 hereof, or for obligations purchased under this Section, other direct, non-callable obligations of the United States of America (the

"Substitute Securities"). Prior to effecting any such substitution, the Authority shall have obtained and delivered to the Escrow Agent:

(a) a supplemental verification report addressed to the Authority and to the Escrow Agent from an independent, nationally recognized firm of certified public accountants verifying the computations which indicate that the Defeasance Securities, the Substitute Securities and other money to be held by the Escrow Agent for purposes of making the payments described in Section 3 hereof will be sufficient, after the proposed substitution, to make all payments described in said Section 3; and

(b) an opinion addressed to the Authority and the Escrow Agent of nationally recognized bond counsel that such substitution of obligations will not cause the interest on the 2008E IBBA Bonds or the Refunded IBBA Bonds to be subject to federal income taxes and will not cause any 2008E IBBA Bonds or the Refunded IBBA Bonds to become an "arbitrage bond" as defined in Section 148 of the Internal Revenue Code of 1986, as amended, and the applicable regulations and rulings promulgated thereunder (as the same may be amended from time to time to the extent such amendments apply to the 2008E IBBA Bonds or the Refunded IBBA Bonds).

#### 9. Compensation of Escrow Agent; Authority Costs

9.1 The Escrow Agent hereby acknowledges that arrangements heretofore made, pursuant to **Exhibit G** attached hereto, for payment of the fees, compensation and expenses of the Escrow Agent for services rendered by it pursuant to the provisions of this Agreement are satisfactory to it.

9.2 The Escrow Agent hereby agrees that in no event shall it ever assert any claim or lien against the cash or Defeasance Securities deposited with, or other investment securities or cash held by, the Escrow Agent for purposes of effecting the redemption or payment of the Refunded IBBA Bonds as described above, for any fees for its services, whether regular or extraordinary, as Escrow Agent, or in any other capacity, or for reimbursement for any of its expenses as Escrow Agent or in any other capacity.

9.3 The Municipality agrees to pay the legal costs and expenses of the Authority in an amount not to exceed \$1,800 incurred in connection with this Agreement and the related Refunded Repayment Installments and Refunded IBBA Bonds.

#### 10. Limitation of Escrow Agent Duties

10.1 None of the provisions contained in this Agreement shall require the Escrow Agent to risk, use or advance its own funds in the performance of any of its duties or the exercise of any of its rights or powers hereunder. The Escrow Agent shall be under no liability for the payment of interest on any funds or other property received by it hereunder except to the extent the Escrow Agent does not comply with investment instructions provided to it pursuant to the terms of this Agreement.

10.2 The Escrow Agent's liabilities and obligations in connection with this Agreement are confined to those specifically described herein. The Escrow Agent is authorized and directed to comply with the provisions of this Agreement and is relieved from all liability for so doing, except in the case of negligence or willful misconduct on its part, notwithstanding any demand or notice to the contrary by any party hereto. The Escrow Agent shall not be responsible or liable for the sufficiency, correctness, genuineness or validity of the Defeasance Securities deposited with it; the performance or compliance by any party other than the Escrow Agent with the terms or conditions of any such instruments; or any loss which may occur by reason of forgeries, false representations or the exercise of the Escrow Agent's discretion in any particular manner unless such exercise is negligent or constitutes willful misconduct. If any controversy arises between the Authority and any third person, the Escrow Agent shall not be required to determine the same or to take any action in the premises, but it may institute, in its discretion, an interpleader or other proceeding in connection therewith as it may deem proper, and in following either course, it shall not be liable.

10.3 The Escrow Agent undertakes to perform such duties and only such duties as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Escrow Agent. The Escrow Agent may conclusively rely and shall be fully protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, approval or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. The Escrow Agent may consult with counsel and the advice or any opinion of counsel shall be full and complete authorization and protection in respect of any action taken or omitted by it hereunder in good faith and in accordance with such advice or opinion of counsel. The Escrow Agent may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys, custodians or nominees appointed with due care; the Escrow Agent shall remain responsible for the execution of the trusts, powers, and performance of its duties hereunder regardless of any agent, attorney, custodian or nominee so appointed although it shall not be responsible for any willful misconduct or negligence by such agent, attorney, custodian or nominee. The Escrow Agent shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Escrow Agent and could not have been avoided by exercising due care. Force majeure shall include acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

Anything in this Agreement to the contrary notwithstanding, in no event shall the Escrow Agent be liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

The Municipality shall indemnify, defend and hold harmless the Escrow Agent and its officers, directors, employees and agents, from and against and reimburse the Escrow Agent for any and all claims, obligations, liabilities, losses, damages, actions, suits, judgments, reasonable

costs and expenses (including reasonable attorneys' and agents' fees and expenses) of whatever kind or nature regardless of their merit, demanded, asserted or claimed against the Escrow Agent directly or indirectly relating to, or arising from, claims against the Escrow Agent by reason of its participation in the transactions contemplated hereby, except to the extent caused by the Escrow Agent's negligence or willful misconduct. The foregoing sentence shall survive the termination of this Agreement or the earlier resignation or removal of the Escrow Agent.

The Escrow Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Agreement and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Escrow Agent, or another method or system specified by the Escrow Agent as available for use in connection with its services hereunder); provided, however, that the Municipality and/or the Authority shall provide to the Escrow Agent an incumbency certificate listing officers with the authority to provide such Instructions ("Authorized Officers") and containing specimen signatures of such Authorized Officers, which incumbency certificate shall be amended by the Municipality and/or the Authority whenever a person is to be added or deleted from the listing. If the Municipality and/or the Authority elects to give the Escrow Agent Instructions using Electronic Means and the Escrow Agent in its discretion elects to act upon such Instructions, the Escrow Agent's understanding of such Instructions shall be deemed controlling. The Municipality and the Authority understand and agree that the Escrow Agent cannot determine the identity of the actual sender of such Instructions and that the Escrow Agent shall conclusively presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Escrow Agent have been sent by such Authorized Officer. The Municipality and the Authority shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Escrow Agent and that the Municipality, the Authority and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Municipality and/or the Authority, as applicable. The Escrow Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Escrow Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Municipality and the Authority agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Escrow Agent, including without limitation the risk of the Escrow Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Escrow Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Municipality and/or the Authority, as applicable; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Escrow Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

10.4 If the Escrow Agent renders any service hereunder not provided for in this Agreement, or the Escrow Agent is made a party to or intervenes in any litigation pertaining to this Agreement or institutes interpleader proceedings relative hereto, the Escrow Agent shall be compensated reasonably by the Authority for such extraordinary services and reimbursed for any and all claims, liabilities, losses, damages, fines, penalties, and expenses, including reasonable out-of-pocket and incidental expenses and reasonable legal fees and expenses occasioned thereby.

11. Deposit of Additional Sums by the Municipality

The Municipality agrees that it will promptly deposit with the Escrow Agent the additional sum or sums of money specified in any Escrow Agent's notice of insufficiency given pursuant to Section 5 hereof.

12. Remission of Funds When Refunded IBBA Bonds Paid in Full

At such time as the Escrow Agent shall have received the representation of the Authority that all of the payments described in Section 3 hereof have been made and the confirmation of such representation by the paying agent, together with such other evidence of such payments as shall be satisfactory to the Authority and the Escrow Agent, the Escrow Agent shall remit to the Authority any remaining amounts.

13. Successor Escrow Agent

The obligations assumed by the Escrow Agent pursuant to this Agreement may be transferred by the Escrow Agent to a successor if (a) the successor Escrow Agent has presented evidence satisfactory to the Authority and its nationally recognized bond counsel that the successor is in all respects qualified to perform the duties of Escrow Agent; (b) the successor has assumed all the obligations of the Escrow Agent under this Agreement; and (c) all the Defeasance Securities and money then held by the Escrow Agent pursuant to this Agreement have been duly transferred to such successor, whereupon the Escrow Agent shall be discharged of all duties and responsibilities hereunder. If such successor has not been appointed hereunder within 30 days of the Escrow Agent's removal or resignation, the Escrow Agent shall be entitled to petition a court of competent jurisdiction for the appointment of a successor.

14. Indemnification of Authority

To the extent permitted by law, the Municipality shall indemnify, defend and hold harmless the Authority and its officers, directors, employees and agents, from and against and reimburse the Authority for any and all claims, obligations, liabilities, losses, damages, actions, suits, judgments, reasonable costs and expenses (including reasonable attorneys' and agents' fees and expenses) of whatever kind or nature regardless of their merit, demanded, asserted or claimed against the Authority directly or indirectly relating to, or arising from, claims against the Authority by reason of its participation in the transactions contemplated hereby, except to the

extent caused by the Authority's negligence or willful misconduct. The foregoing sentence shall survive the termination of this Agreement.

15. Merger of Consolidation of Escrow Agent

Any company into which the Escrow Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Escrow Agent may sell or transfer all or substantially all of its corporate trust business, provided such company shall be a bank or trust company organized under the laws of any state of the United States of America or a national banking association and shall be authorized by law to perform all the duties imposed upon it by this Agreement, shall be the successor to the Escrow Agent without the execution or filing of any paper or the performance of any further act.

## CERTIFICATE AS TO BOND PRICING AND RELATED MATTERS

The undersigned officials of Joint School District No. 331, Minidoka, Cassia, Jerome and Lincoln Counties, State of Idaho (the "District") do hereby certify as follows (capitalized terms used herein and not defined have the meanings assigned to such terms in the Resolution, hereinafter defined):

1. We are familiar with the Resolution of the District adopted on March 14, 2016 (the "Resolution") to authorize the issuance and sale of its General Obligation Refunding Bonds, Series 2016 (Sales Tax Guaranty) (the "Bonds"), and related documents, which Bonds were sold this date to \_\_\_\_\_ as Underwriter (the "Underwriter").

2. Section 209 of the Resolution delegated to the undersigned Superintendent and Business Manager (the "Delegated Officers") the power to make certain determinations on the date of sale of the Bonds.

3. Pursuant to such delegation, the Delegated Officers hereby determine as follows:

a. The rates of interest to be borne by the Bonds, provided that the interest rates on the Bonds shall not exceed the rates that will achieve an aggregate dollar amount of savings in the debt service on the Refunded Bond, the present value of which, computed using as a present value factor the yield (as defined in the Regulations) on the Bonds, shall equal not less than four percent (4%) of the principal amount of the Refunded Bond.

b. The principal amount of the Bonds, provided the par amount of the Bonds shall not exceed the par amount of the Refunded Bond.

c. The amount of principal of the Bonds maturing, or subject to mandatory sinking fund redemption, in any particular year, and the rate of interest accruing thereon.

d. The portion of the Refunded Bond to be refunded.

e. The final maturity of the Bonds, provided such maturity shall not exceed the final maturity of the Refunded Bond, September 15, 2028.

f. The price at which the Bonds will be sold (including any original issue premium/discount), provided that the underwriter's discount shall not exceed .60% of the principal amount of the Bonds.

g. The dates, if any, on which, and the prices at which, the Bonds will be subject to optional redemption.

h. The terms of any contract for credit enhancement of the Bonds or participation in the Idaho School Bond Guaranty Act program under Idaho Code Section 33-5301 *et seq.*, are specifically authorized.

4. The undersigned Delegated Officers hereby certify that the final terms and provisions of the Bonds, as described in the attached Exhibit A, are consistent with, not in excess of and no less favorable than the terms set forth in Section 209 of the Resolution.

5. [The Delegated Officers further certify that the amortization plan of the Bonds, as approved by execution of this Delegation Certificate, satisfies the requirements of Section 33-1107(\_\_\_\_) in that the amortization plan of the Bonds results in an annual tax levy in any year that does not exceed by more than ten percent (10%) an average annual tax levy if the principal and interest coming due on the Bonds, together with the principal and interest coming due on all other outstanding bonds of the District, was repaid in equal annual amounts.]

[The Delegated Officers further certify that the amortization plan of the Bonds, as approved by execution of this Delegation Certificate, does not satisfy the requirements of Section 33-1107(1), (2), or (3), Idaho Code; therefore, as required by Section 33-1107, Idaho Code, the District will request approval of the amortization plan of the Bonds from the State Superintendent of Public Instruction prior to the date of issuance of the Bonds. The Delegated Officers, pursuant to the authority delegated in the Resolution under Idaho Code 57-235(a) and 57-235(f), hereby find and determine that the amortization plan for the Bonds will result to the benefit and advantage of the District.]

6. The undersigned Delegated Officers have therefore executed and delivered an acceptance of the bid form to the Underwriter.
