

Executive Summary

Prepared for Board of Trustees Meeting
August 9, 2011

Annual Report for Health Services, Employee Wellness and SHAC

Board Goal: In pursuit of excellence, the district will:

Provide support services and promote health, wellness and safety for students

Promote health and wellness in the workforce

Purpose of Report: To communicate with the Board of Trustees the actions, activities and services provided to our students and staff during the 2010-2011 School year

Objectives

- Provide data concerning student illness and injuries and state required screenings and referrals
- Provide data regarding employee health and wellness activities

Operational Impact: The decision to maintain a Registered Nurse on each campus for the 2011-2012 school year will allow our students to be assessed cared for and referred for follow up by professional nurses who are committed to supporting the health, wellness and safety of the students and staff of Denton ISD. The team of nurses greatly appreciates the support and belief the Superintendent and Board of Trustees have placed in us to care for our students and staff.

Results The team of nurses greatly appreciates the support and belief the Superintendent and Board of Trustees have placed in us to care for our students and staff.
