To Whom it may concern:

Please consider this request for the Spartan DanceForce to travel to San Diego, California December 26, 2017 - December 31, 2017. We have been selected to perform at the Holiday Bowl (National football play off game) half time show.

The student/dancers will be performing in front of more than 80,000 fans during this bowl game. These students will also be participating in a comprehensive dance convention and master classes taught by some of the industry's most sought after choreographers. Past choreographers include Mandy Moore, Jamie Parrish, Dave Scott and many more. All of this will be during Christmas break, so students will not be missing school.

The trip expenses will be the responsibility of the Spartan Dance Force team members. (Bowl game package price is \$950.00 and travel will be \$300.00). The experience will be exciting and extremely educational for our students. There is also the possibility of earning 1 high school Physical Education credit for this experience.

I will provide detailed information about the trip, itinerary, rooming lists and other materials that you need upon request.

As always the students and myself as coach will do our absolute best to represent ourselves, our families, our school and our community with pride and dignity.

Thank you for your time and consideration. It is greatly appreciated.
