### Celebrations

- Thank you to our staff and community members for their hard work in getting the building prepared for opening day!
- Recent building updates have greatly improved the learning environment, including renovated classrooms, new cafeteria flooring, and the much-appreciated addition of air conditioning.
- The first two weeks of school successfully focused on building community through teaching school-wide expectations, engaging in community-building activities, launching the yearlong theme “*What Do You Do With a Problem?*”, and kicking off Hive Time.

### Areas of Focus for the Year

- **Reading**
  - Wit and Wisdom implementation with emphasis on writing
  - Foundations (phonics instruction) refinement
- **Math**
  - Number Corner- focuses on number sense and fluency
    - K-2nd: Continued implementation and refinement
    - 3rd-5th: Training and initial implementation
  - **Eureka Math**
    - Professional learning and use of the Eureka Math Implementation Guide to lead to effective and consistent use of Eureka Math lessons.
- **Science**
  - Curriculum development (priority standards, guiding questions, proficiency scales, common assessments)
- **Community Building (PBIS)**
  - Continued work with Dr. Jim Harris with the Engaged Learners Journey
    - Professional learning with the staff about **preventative classroom practices** and **effective in-class responses to behavior**.
    - The Leadership Team, with consultation with Dr. Harris, will focus on work with **out-of-class behavior supports** and **resolution and reconnection supports**.
