~~9211~~ **DISTRICT-SUPPORT ORGANIZATIONS**

~~The Board appreciates the efforts of all organizations whose objectives are to enhance the educational experiences of District students, to help meet educational needs of students, and/or provide extra educational benefits not provided for, at the time, by the Board.~~

~~The Board recognizes that parent teacher organizations and other school related community organizations are channels through which school personnel, parents, and other citizens may discuss educational concerns, problems, and needs and work together toward solutions. The District Administrator is authorized to provide support and assistance as appropriate upon the request of such an organization.~~

~~The Board encourages parents and District staff to participate in such organizations.~~

~~Any organization described in this policy must obtain advance written permission from the District Administrator before using any of the District's logos or name as well as the District's or school's slogans for the purpose of describing or promoting the organization or any activity of the organization.~~

~~Each volunteer organization that intends to work within the school setting may only do so in cooperation with the Principal and other staff members, including for such activities as fundraisers, meetings, and the like.~~
