Nippersink District 2
Board of Education

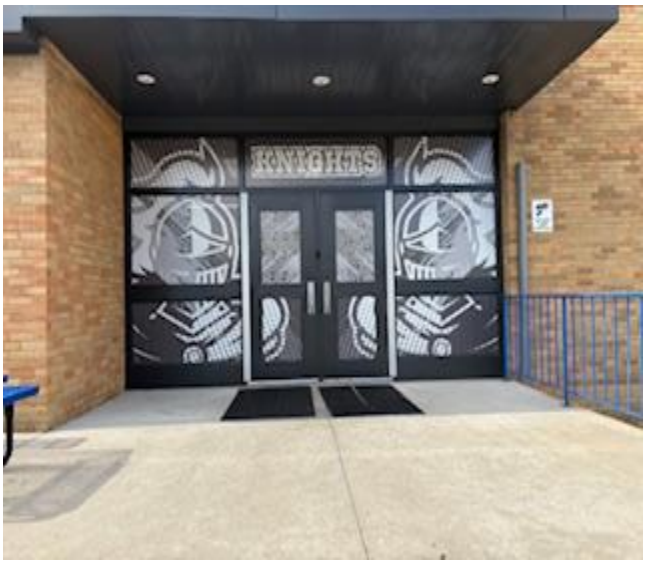
The mission of Nippersink District 2 is to foster academic growth, instill integrity, confidence, and civic responsibility while preparing all students for an ever-changing global society.

Curriculum, Instruction, Program

Seventh-grade English classes read and discussed a book called The Running Dream by Wendelin Van Draanen. The story is about a main character who loses a leg after a terrible accident.
To help students understand the idea of overcoming challenges, the language arts team asked a former student, Justin Braden, to share his own story. Justin talked about an ATV accident that caused him to lose four fingers on his dominant hand. He explained the physical pain and emotional struggles he faced. Justin's real-life story helped students see a connection to the characters and themes in the book. The students really enjoyed listening to Justin. His experience shows strength and serves as a source of encouragement for everyone who hears his story.

School Celebrations

The 8th grade girls volleyball team finished the season as conference champions with a 9-1 conference record. This represents back-to-back conference championships for our 8th grade volleyball team.
The 7th grade class had their field trip to Timber-lee in East Troy, Wisconsin on October 8th. This year's trip was an extended day long trip rather than an overnight trip.
The back of the building update has now been completed. The roof, doors, and window wraps are now all installed.



Upcoming Dates
October 24 - Knight Crew Halloween Dance
November 7 - Early Dismissal 10:55
November 24/25 - Parent/Teacher Conferences
