## News from Mr. Regal

Volume 1, Issue 4  
December 1, 2014

Welcome back from Thanksgiving Break,

Hopefully everyone had time over the break to spend with family and friends. The teachers and assistants have been working night and day to provide your child with quality instruction in the classroom based on their individual needs. This year with 120 minutes of instruction designated to reading at each grade level daily and a new district adopted curriculum, "Journeys", students have been making dramatic academic gains. The reading time is broken up into 60 minutes of whole group, 30 minutes of small group, and 30 more minutes of intervention/enrichment for targeted instruction of individuals. The staff and students are working relentlessly every day to show growth in their academic achievement levels in reading. Please continue to support reading at home by reading with your children nightly. (at least 20 minutes if possible)

Have a great December,

David Regal  
Principal
