## Fall Regional Meetings

October 2019

### WE DID IT!

Together we saw the Student Success Act's passage in 2019. At your local Fall Regional meeting you can learn what's next, including:

- Planning for needs assessments and effective community engagement.
- Ensuring accountability and transparency while your schools create better outcomes for students.
- The full scoop on other important legislation from the 2019 session and how those bills affect your schools.

**Please join the conversation and exchange ideas with other board members in your region.**

OSBA is hosting meetings in 21 locations around Oregon. You can find a meeting near you or attend any meeting that meets your schedule.

**We want to hear from your school board!**
