Education Updates

- As of today, it appears there are now three Public School Funding Formula Bills that are being worked on. The legislature is running out of time to get a bill printed. There should be movement within the week.
- Election Consolidation – This legislation would remove the March and August election dates. This bill would seem to have support from the County Clerks.
- The State Department of Education will be hosting the annual Post Legislative Tour on April 2nd in Boise for our region. I will plan on attending.
