**Principal's General Narrative:**

Homecoming week was a very busy time for both students and faculty. Mrs. Hernandez always does a great job organizing the homecoming pep rally and all of the class sponsors went above and beyond in helping to organize the parade and other homecoming activities. It is hard to believe we are starting the 7<sup>th</sup> week of school.

I and all the members of the high school and junior high appreciate the time, effort, and wisdom that school board members give on our behalf. We recognize that without the leadership from the school board and Mr. Westbrook our direction of continued and greater success would not be possible.
