Supervision of Students**

The Board expects all students to be under assigned adult supervision when they are in school, traveling under MESD auspices or engaging in MESD-sponsored activities. Staff may not always be in the same location as the students they supervise, such as students at work sites or students learning to ride a public bus. MESD personnel assigned this supervision are expected to act as prudent adults in providing for the safety of students in their charge.

In keeping with this expected prudence, no teacher or other staff member shall leave his/her assigned group unsupervised except in an emergency situation when other arrangements have been made.

During school hours or while engaging in MESD-sponsored activities, students shall be released only into the custody of parents, guardians, persons in a parental relationship or other persons designated by the parents, guardians or persons in a parental relationship.
