

# C-I Secondary Board Report

Submitted by Jennifer Strom, Principal  
January 2023

---

1. Registration
  - a. The registration manual has been updated and we are looking forward to registering students in early March for the 2022-2023 school year
2. Paraprofessional Week
  - a. The week of January 23rd is Paraprofessional Appreciation Week. I am so thankful for the skill, care, and dedication that our paras display each day!!
3. Second Semester Initiatives
  - a. Admit Slips - To try and combat the extreme amount of skipping occurring this year, we are going to go back to requiring admit slips for all students. If their absence is unexcused then they don't have access to earn the points for that day. If the absence is excused then they will have access to all of the missing work. This will be a learning curve for all of us, students included. It is time, however, that we slowly bring back the rigor that had in place prior to COVID.
4. EHall Pass
  - a. We have implemented an electronic hall pass system that has been quite successful. This system tracks who is in the hall and where they are going. It allows us to:
    - i. Limit the overall number of students in the hall at a time
    - ii. Limit the number of passes that individual students get per day
    - iii. Limit specific students from being in the hall at the same time

## Upcoming Events:

Feb 3rd - Staff Breakfast from Project Unite Volunteers
