Principal's General Narrative:

April was a great month for Bracket High School with many different activities wrapping up and getting started. We recently had a 1st place finisher in UIL Calculator that will be going to state. We also have a student competing in the state track meet running the 800 and mile.

1. Calculator Regional Champion Jackie Pang.
2. State Track Meet Jaclyn Abbey 800 and mile.

OAP did their Dinner Theatre and Silent Auction on April 4th which was a success, which raised money for the Marley and Madison OAP scholarship fund for graduating seniors that participated in OAP. The nothing Ice Cream Won't Fix on April 16th along with Taylor's Gift in remembrance of the Koontz girls. On April 17th we had Homeland Security come in and do a presentation to our students on Internet Safety. Teachers are getting ready for the EOC tests that are happening May 6, 7, and 8. Baseball had a great season and made the playoffs. Softball ended up 4th in district and just missed the playoffs. Retesting for the 8th graders will be on May 13th and 14th. My first day in the district was on May 5, 2014 and am very excited to have the opportunity to lead a great school. I am currently working to get to know the staff and the students.
