

Levy Limitation and Certification

The levy constitutes the local taxpayers portion of school funding.

The funding is highly regulated and based primarily upon formulas multiplied by our adjusted pupil units (APU) which is currently at 671 for 20

2024-2025 PK-6 = 326 and 7-12 = $(279 * 1.2)$ or 335 $(326+335 = 671 \text{ APU})$.

2025-2026 PK-6=334 and 7-12= $(274 * 1.2)$ or 328.8 $(334+328.8=662.8 \text{ APU})$.
