THIS QUOTE IS FOR BUDGET PURPOSES ONLY; A FIRM QUOTE CAN BE PRODUCED ONCE DESIGN OF POURED IN PLACE AND OVERALL SIZE OF PLAYGROUND SPACE IS DETERMINED

NOT INCLUDED: Sales Tax, Permits/Bonds (if required), Local Engineer-Sealed Drawings/Calculations, Site Work in Excess of Normal Installation (example: site prep - excavation/infill, concrete slab, french drains, excess rock removal)

Any installation charges quoted are based upon a soil work site (not rocky) that is freely accessible by truck, no fencing, tree/landscaping or utility obstacles, etc.), and level (+/- 1-2% max slope). Any site work not expressly described is excluded. Landscape timbers are not warranted. All underground utilities must be located and clearly marked before any work can begin. Installation of all products (equipment, borders, ground cover, amenities) are as quoted and approved by acceptance of quote/drawings. The installer is not responsible for any damages or re-work resulting from after-hours events or activities during the work in progress period. The customer is responsible for maintaining the integrity of completed installation work until components have seated and/or cured (concrete footings, etc.).

Payment Terms: 100% due upon completion of work and receipt of invoice.

Estimated Delivery & Installation: 7 to 12 weeks after receipt of order.

Thank you for giving us the opportunity to quote this equipment.

Janet Wachs, Sales Representative

Warning: Never install play equipment over hard, unresilient surfaces such as asphalt, concrete, grass, or compacted earth. It is the owner's responsibility to ensure the "Minimum Area Required" contains an appropriate amount of resilient surfacing material to cushion accidental falls. All use zones should meet current CPSC guidelines. Failure to maintain and inspect your playground surfacing on a regular basis could result in unsafe conditions on and around the play area and lead to serious physical injury to persons using the playground. T.F. Harper & Associates is not responsible for injuries and/or damages that result in failure to maintain your playground surfacing.
