

Exciting Summer Plans for Anne Sullivan!

We're Upgrading Our School With New Windows and Siding!
This summer, Anne Sullivan will undergo a fantastic transformation!

Why the Upgrades?

- Improved Safety and Security
- Replacement of outdated windows and siding
- Repair and replacement of exterior doors
- Improved energy efficiency to optimize our classroom environment and save on utility costs.

What to Expect?

- Construction crews will be onsite in early June, 2024, working to ensure a smooth and efficient installation.
- Fresh, modern look for our school building.
- Enhanced comfort and improved learning environment for students and staff
