Renaissance Learning

A Parent Resource

Renaissance Learning is an online program that supports Williams students in reading. This program has a parent resource section that has helpful Parent Guides, answering frequently asked questions about our assessment, teaching, and learning tools. You can access it from the following website:

<https://Hosted58.renlearn.com/293424/HomeConnect>

The student login and password is the same as the one they use at school for AR reading time.

Facts of the Day for November

Dear Williams Community,

The Facts of the Day are a routine part of our school days. They can be seen in every classroom and in the gym. Students are increasingly becoming more fluent in basic facts. Place this calendar in a prominent place. Students are excited to see who can correctly get the facts first. Please remember that the addition facts are especially good for all grades, while the multiplication facts are intended for grades 3 -5. We appreciate all of your support!
