

Naukati March Board Report

The conclusion of Archery State competition has proven to be fun and successful. Naukati has three students that have placed in the top 5 of their division and will be traveling to compete in Nationals in Utah. Congratulations to Violet Anania, Quinton Quigley and newest elementary archer, Tabitha Gore. Kayden Jones also did well to merit an invite. Shoot straight Naukati Archery!

(not pictured due to travel are Tia & Megan Christopherson: AK Trails)

Elementary Basketball practice has started, and the players are already looking sharp. They are showing off their skills and quickly gaining more. They are excited to have several games in many communities. Thank you to Amanda Blankenship for organizing all of this for the students.

March includes the celebration of Dr. Seuss Day and watching the Iditarod Race as we read as much as we can before the last racer finishes. We are looking forward to the upcoming NYO mini-meet and Wednesday's Esports Games.

It is with a heavy heart that Laura Anania will be moving on to new adventures next year. She has enjoyed teaching and growing alongside the students and families in Naukati. "It is a hard goodbye after ten years in this district, but I hope to still build connections over the summer. I wish all the students the best of luck in all their adventures."

Naukati students and staff want to remind you of Daylight Savings Time happens this Sunday. "Spring forward" that clock by an hour.
