Re: Freedom of Information Act Request

Dear Laura Kitaeff:

The School District received your request for records pursuant to the Freedom of Information Act (the "Act") on September 26, 2025. Please treat this correspondence as the response to your request.

You requested the following records:

1. **All invoices, billing statements, or itemized bills from outside legal counsel, law firms, attorneys, public relations firms, consultants, or any third-party entities providing professional services to District 107 and/or Pleasantdale Elementary for the period January 1, 2025, to the present.**
 - This includes invoices that reflect **descriptions of services performed, dates of services, time billed, and amounts charged.**
 - This applies to **any outside agencies, law firms, public relations firms, lobbying groups, consultants, or other professional service providers** that have billed the district.
2. **Records identifying the company (or companies) that provide, maintain, or service the district's security camera systems, including but not limited to:**
 - Contracts, purchase orders, or agreements with the vendor(s).
 - Documentation identifying the **make, model, and type of cameras** currently in use by the district.
 - Any invoices or billing statements related to these services or equipment from **January 1, 2025, to the present.**

Enclosed, please find records responsive to your request. Please be advised that records have been redacted or withheld pursuant to the following exemptions set for in the Freedom of Information Act:

- 7(1)(b) (Private information as defined by the Act);
- 7(1)(v) (vulnerability assessments, security measures, and response policies or plans that are designed to identify, prevent or respond to potential attacks upon a community's population or systems, facilities, or installations, but only to the extent that disclosure could reasonably be expected to expose the vulnerability or jeopardize the effectiveness of the measures). This information, if released, would compromise the safety and security of district facilities.

To the extent your request has been denied, you may seek review of the decision of the School District by the Illinois Attorney General-Public Access Bureau, 500 S. 2nd Street, Springfield, Illinois 62706, 877-299-3642 [public.access@ilag.gov]. You may also appeal this decision by filing suit for injunctive relief in the circuit court for Cook County, Illinois.

Respectfully,
