RE: Requesting a Waiver of liquidation of damages cited in the contract with the District.

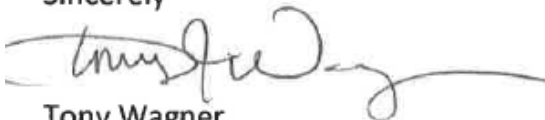

I am respectfully requesting a waiver to the Board of Trustees for liquidation of damages cited in the contract with the District.

The decision to pursue another opportunity was not an easy one. However, it is right for me at this time as I work toward fulfilling my personal and professional goals, and maintaining a healthy environment for myself.

My decision to resign was made after long and careful consideration. I want to express my sincere gratitude for a rewarding employment experience with Browning Public Schools.

Again, thank you for all support and understanding at this time.

Sincerely
