

**FOREST LAKE AREA SCHOOLS
FOREST LAKE, MN 55025**

September 8, 2016

AGENDA ITEM: 4.2

**TOPIC: TH97 and 8th Street/Goodview Avenue Intersection
Control Evaluation Study Proposal**

BACKGROUND: Aaron Parrish, Forest Lake City Administrator, shared a proposal to study the intersection of TH97 and 8th Street/Goodview Avenue in detail to determine existing issues and deficiencies as well as anticipated issues with no improvements made as traffic changes in the future.

PROCESS: Traffic volumes, turning movements, pedestrian connectivity and crash history will be evaluated to identify the most appropriate intersection configuration and traffic control. The process will result in a recommended improvement along with a planning level concept and cost estimate. (Detailed proposal attached.)

RECOMMENDATION: Recommend approval of study.
