

McKinney Independent School District
#1 Duvall Street, McKinney, Texas 75069

To: Board of Trustees

From: Shawn Pratt, Superintendent

Subject: Caldwell Dual Language Academy, Finch Monolingual Program, and Attendance Boundary Adjustments including Webb

Date: February 24, 2025

.....

Impact Statement:

Caldwell and Finch Elementary have seen slight declines in enrollment, including emergent bilingual students. To better serve these communities, McKinney ISD proposes expanding Finch Elementary's attendance boundary and consolidating the emergent bilingual program at Caldwell Elementary, renaming it Caldwell Dual Language Academy.

Under this plan, Caldwell will serve all emergent bilingual students, while Finch will serve all monolingual students within the expanded zone.

Additionally, adjusting Webb Elementary's large attendance zone, which is experiencing growth to Finch Elementary.

Recommendation:

It is recommended that the Board approve the following actions:

- The creation of the Caldwell Dual Language Academy.
- Expanding the Finch attendance zone.
- Adjusting Webb's attendance zone.

This strategic realignment will ensure balanced enrollment, improve resource allocation, and provide families with enhanced educational opportunities.
