

# **Environmental Education Committee Agenda/Minutes 2022-2023**

**Date:** Thursday, February 16, 2022

**Abi, COlin, Lisa, Joe and Melanie were present.**

**EE Goals Update-** Ronda and Lance have finished their EE Goals.

**Looking for Pigs to bring our lunch waste-** Kathy has heard from someone who would do it a few days per week, we might put something on facebook.

**MN Phenology network-** Lisa has a naturalist who is willing to come in and meet with her class. This person has used the MN phenology network and is willing to teach the students.

**One Book one school Update-** Melanie will get to them after spring break. It will be a great introduction to the recycling unit.

**Eagle's Nest Update-** I did get a bid for decking from Simsonson. Looking to get another one from Build All and maybe represent the lions.

**Earth Week/Upcycle projects-** Melanie tt Annette about she liked the ideas, we will likely push out into May.

**Lunch/ Recycling Poster-** Joe has everything almost completed. It will be ready to go by spring break.

**Chicks-** We are getting chicks after spring break. Colin's class will hatch them first. Then Mara's, Lisa would like them upstairs too.
