

SCHOOL ATTENDANCE AREAS

Descriptor: AD Issued: Draft 5/31/13
Rescinds: AD Issued: 10/13/1998

BOARD POLICY

The Board will specify school attendance zones and designate the school each student shall attend.

The Board will also designate the locations for school buildings and within the District, and may change alter or abolish the location of such school buildings and attendance zones from time to time as may be required by the educational needs of the District.

The Board authorizes the superintendent to establish administrative procedures consistent with this policy. The Board also authorizes the superintendent to make a slight modification of an attendance zone(s) to achieve the educational needs of the District, provided that such modification does not affect more than three percent (3%) of the District's student population.

ADMINISTRATIVE PROCEDURE

1. Attendance Zones

When it is determined by the superintendent that a slight modification to the attendance zones is necessary to achieve the educational needs of the District, such modification may be made. For purposes of this policy, a "slight modification" is defined as one that will impact less than three percent (3%) of the student population.

2. A current map of the District school attendance zones shall be posted on the District website and attached as an exhibit to this policy.
