Dear Mr. Crawford,

I would like to request a Certificate of Attendance for Patrick M. McRae, Jr. The teacher just informed me today that he shouldn't get a diploma, only the certificate because he is entering the Bridge Program. Date of graduation is June 4, 2015.

I also need a diploma for a new senior that enrolled last week. Xavior Disch should receive a diploma with the graduation date of June 4, 2015.

Sincerely,

Tonya M. Sconiers
Principal
